One Day Workshop on Python Programming

Brief Report: One Day Workshop by Eesha Nitin Mohod on “Python Programming” was organized by the Computer Science department in the presence of Dr. A.S. Raut, IQAC coordinator dated 22/10/2022. Hands on exercises over online platform was also taken by the expert to enhance the understanding of Python Environment.

Objectives & Outcomes: The students gained valuable insights and knowledge about Python which helped them gain an understanding of the real-time practices in the corporate world, to understand why Python is a useful scripting language for developers and to learn how to design and program Python applications.

The hands-on experience provided and the information shared was very enlightening for our students.

WORKSHOP

Workshop on “Digital and Cyber Forensic”

Date	03-02-2023
Duration	12:00 pm to 04:00 PM
Venue	Department Of Computer Science
Event Organizer	Department Of Computer Science in collaboration with Department of Forensic Science
Number of Participants	56
Resource Person	Mr. Bhupesh Kumar Nanhe, Asst. Prof., Dept. of Forensic Science, School of Sciences, JECRC University, Jaipur

Online Guest Lecture on “Cloud Technology and Information Security” was organized by the department on 3rd of February 2023, where 56 students joined and participated actively. In this Guest Lecture the Resource Person, **Mr. Mahesh Yelkar, Training coordinator, Dept. of Robotics & Cloud, RTMNU** focused on

- The nature of modern threats posed to information infrastructures.
- Made students understand the advanced fields of computer science which involves use of Mathematics, Statistics, Information Technology and Information Sciences in discovering new information and knowledge from large databases and optimize Human effort overall

Online guest Lecture on “Cloud Technology and Information Security

Date	08-02-2023
Duration	12:00 pm to 02:00 PM
Venue	Department Of Computer Science
Number of Participants	72
Resource Person	Mr. Mahesh Yelkar, Training coordinator, Dept. of Robotics & Cloud, RTMNU

Objective: The objective of the Online guest Lecture on “Cloud Technology and Information Security” was to:

- Develop and deploy cloud-enabled applications
- Access cloud services
- Gain insight into cloud components and architectures
- Learn how to build a cloud computing data center
- Understand the components and infrastructure of the cloud
- Understand the benefits and future of cloud computing
- Understand the assess security risks
- Learn cloud storage and protocols

About Activity:

Online Guest Lecture on “Cloud Technology and Information Security” was organized by the department on 3rd of February 2023, where 56 students joined and participated actively. In this Guest Lecture the Resource Person, **Mr. Mahesh Yelkar, Training coordinator, Dept. of Robotics & Cloud, RTMNU** focused on

Asst. Professor
Dr. S. M. Chavan

Organizing Committee :-

Objective:

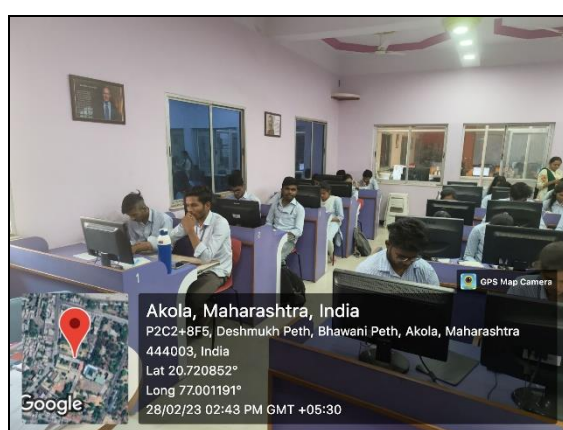

1. To improve their analytical and problem-solving skills in a fun context .
2. To teach contestants to find the easiest solution in the quickest possible way, enhancing their problem-solving and debugging skills based on the time limit.
3. To produce quality code, there is a benefit to being able to code quickly as they are seen as more valuable.

About Activity:

A Coding Competition on 28th of February 2023 from 12:00 a.m. to 4:00 p.m. was organised by the Department where 42 students from BSc 1st, 2nd & 3rd level actively participated in the competition. This event was held at the department of computer science UG and PG lab.

In this competition total three rounds were taken and based on the marks cut off students were selected for the next round.

Based on the result of the 2nd and 3rd round the top 5 students were selected. The top 5 students were felicitated by the Principle of college Respected Dr. A. L. Kulat sir and HOF Dr. S. G. Shende Sir.

Outcome:

The Coding Competition helped and encouraged the student coders to combine skills, collaboration, and creativity to produce things that can make a real difference in the world.

- 1. Enhanced Problem-solving Skills**
- 2. It's a way to Practice Fast Coding**
- 3. Provided a Significant Technical Edge during Job Interviews**
- 4. Students Learned their Chosen Language**

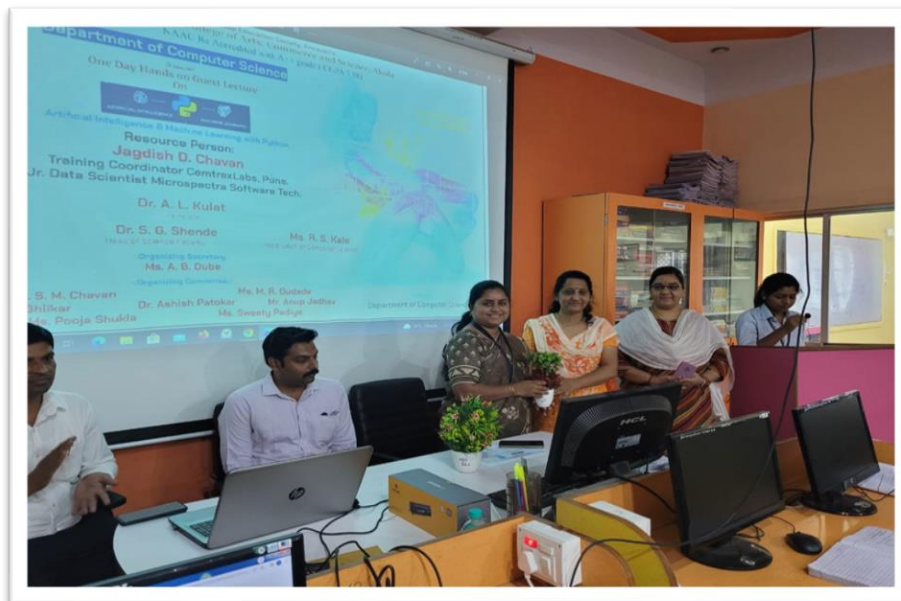

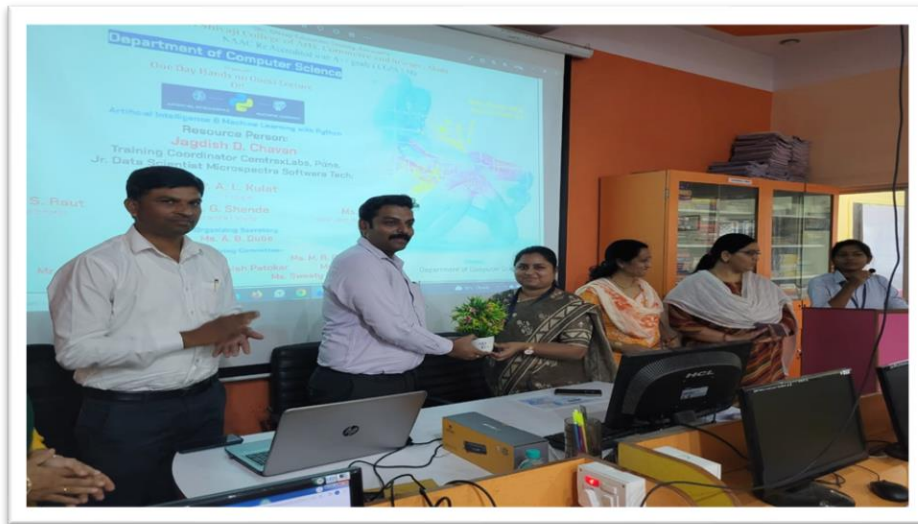

Session On “Artificial Intelligence and Machine Learning with python”

Date: 23 March 2023

Purpose : To cultivate student learning and development by supporting student’s in Academic, personal, and social growth

Topic: Artificial Intelligence & Machine Learning

About Speaker: Name: Jagdish Chavan

- Over 7 years of experience in Data Science
- He is sun Certified for technologies like oracle and Linux as well.
- He has taken corporate batches for data science, app developer, digital marketing, etc.
- Conducted Training for Engineering Colleges ()
- He had been a guide for M.E Project

Aim of the Event: A demo session on “Artificial Intelligence & Machine Learning” was organized with the aim of introducing students to the career opportunities in the field of Data Sciences.

Introduction of Artificial Intelligence Machine Learning

Artificial intelligence is the simulation of human intelligence processes by machines, especially computer systems. Specific applications of AI include expert systems, natural language processing, speech recognition and machine vision .

How does AI work?

As the hype around AI has accelerated, vendors have been scrambling to promote how their products and services use it. Often, what they refer to as AI is simply a component of the technology, such as machine learning. AI requires a foundation of specialized hardware and software for writing and training machine learning algorithms. No single programming

language is synonymous with AI, but Python, R, Java, C++ and Julia have features popular with AI developers.

In general, AI systems work by ingesting large amounts of labelled training data, analysing the data for correlations and patterns, and using these patterns to make predictions about future states. In this way, a chatbot that is fed examples of text can learn to generate lifelike exchanges with people, or an image recognition tool can learn to identify and describe objects in images by reviewing millions of examples. New, rapidly improving generative AI techniques can create realistic text, images, music and other media.

AI programming focuses on cognitive skills that include the following:

- **Learning.** This aspect of AI programming focuses on acquiring data and creating rules for how to turn it into actionable information. The rules, which are called *algorithms*, provide computing devices with step-by-step instructions for how to complete a specific task.
- **Reasoning.** This aspect of AI programming focuses on choosing the right algorithm to reach a desired outcome.
- **Self-correction.** This aspect of AI programming is designed to continually fine-tune algorithms and ensure they provide the most accurate results possible.
- **Creativity.** This aspect of AI uses neural networks, rules-based systems, statistical methods and other AI techniques to generate new images, new text, new music and new ideas.

Differences between AI, machine learning and deep learning

AI, machine learning and deep learning are common terms in enterprise IT and sometimes used interchangeably, especially by companies in their marketing materials. But there are distinctions. The term *AI*, coined in the 1950s, refers to the simulation of human intelligence by machines. It covers an ever-changing set of capabilities as new technologies are developed. Technologies that come under the umbrella of AI include machine learning and deep learning.

Machine learning enables software applications to become more accurate at predicting outcomes without being explicitly programmed to do so. Machine learning algorithms use historical data as input to predict new output values. This approach became vastly more effective with the rise of large data sets to train on. Deep learning, a subset of machine learning, is based on our understanding of how the brain is structured. Deep learning's use of artificial

neural networks structure is the underpinning of recent advances in AI, including self-driving cars and Chat GPT.

Why is artificial intelligence important?

AI is important for its potential to change how we live, work and play. It has been effectively used in business to automate tasks done by humans, including customer service work, lead generation, fraud detection and quality control. In a number of areas, AI can perform tasks much better than humans. Particularly when it comes to repetitive, detail-oriented tasks, such as analysing large numbers of legal documents to ensure relevant fields are filled in properly, AI tools often complete jobs quickly and with relatively few errors. Because of the massive data sets it can process, AI can also give enterprises insights into their operations they might not have been aware of. The rapidly expanding population of generative AI tools will be important in fields ranging from education and marketing to product design.

Listed in October 2022 by the White House Office of Science and Technology Policy (OSTP) guides businesses on how to implement ethical AI systems. The U.S. Chamber of Commerce also called for AI regulations in a report released in March 2023.

Crafting laws to regulate AI will not be easy, in part because AI comprises a variety of technologies that companies use for different ends, and partly because regulations can come at the cost of AI progress and development. The rapid evolution of AI technologies is another obstacle to forming meaningful regulation of AI, as are the challenges presented by AI's lack of transparency that make it difficult to see how the algorithms reach their results. Moreover, technology breakthroughs and novel applications such as ChatGPT and Dall-E can make existing laws instantly obsolete. And, of course, the laws that governments do manage to craft to regulate AI don't stop criminals from using the technology with malicious intent.

Guest Lecture ON “Robotics & Artificial Intelligence”

Guest Lecture

Objective of the Event:

- Create awareness of how to use Robotics & AI and its application in day-to-day data analysis

- Robotics is the computerized approach to analysing computational work that is based on both a set of theories and a set of technologies And, being a very active area of research and development therefore we at New Horizon would like to elevate the learning process to the recent trends
- Helping the students to understand the nature of (human and other forms of) learning, and to build learning capability models and applications

The event began with inauguration of the Computer Society followed by a brief introduction on Robotics & AI by the resource person. Dr. Yogesh Rode N spoke about the importance of putting in the theoretical knowledge that we gained into practice, learning via modelling, observation and experiential learning in order to enhance professional growth.

Ability of a machine to improve its own performance through the use of a software that employs artificial intelligence techniques to mimic the ways by which humans seem to learn, such as repetition and experience Robotics is a sub-field of Artificial Intelligence (AI) which concerns with developing computational theories of learning and building learning machines is a recent trend the New horizon students were introduced through this well-structured seminar organized by the department of Computer Application.

Robotics & AI seminar was divided into two sessions; first session was an introduction on why Robotics? What are the goals of robotics? Why these goals are important and desirable. Second session was focused on the types of learning, data gathering, ML System designs and practical demonstration of fish sorting (Classifier) Algorithms.

Few topics discussed during the sessions are

- Biggest confusion between AL vs ML vs DL and Robotics
- Traditional data and Machine Learning data gathering
- How machine learns with experiences and previous patterns
- Stages of Machine learning

Students also learnt that it is important to try and use the theoretical knowledge that they have gained at the degree period to grow personally as well as professionally. The seminar ended with the closing note positive feedback from the student and vote of thanks by the student coordinators

EVENT

Event Name	Hands on Workshop on "Python Programming"
Date	11 April, 2023
Duration	12:00 pm to 03:30 pm
Venue	Department Of Computer Sciences
Resource Person	Dr. Swapnil .G. Deshpande
Event Coordinator	Ms. A. B. Dube
Student Coordinator	Kunal Fursule (2 nd year Msc(cs))
Number of Participants	80
Association with student chapter	Computer Society
Financial support:	--

Objective:

- To make students aware about basics of Python programming.
- To expose students with applications of Python programming language in IT Industries.

About Workshop:

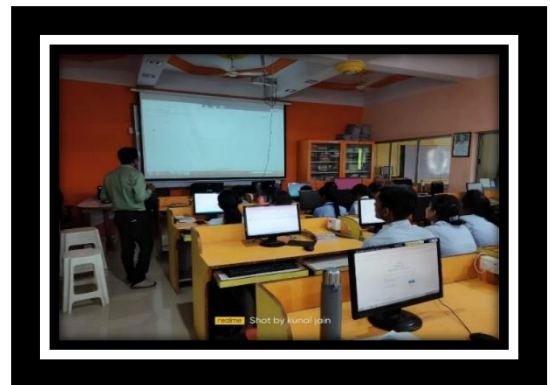

As a part of Peer-to-Peer Learning activity, Computer Society had organized a Workshop on “Hands on Python” on 11th April, 2023 from 12:00 am to 03:30 pm. 80 students of 1st/2nd/3rd level BSC & MSC branch actively participated in the session. The event was held at Computer Department, PG Lab.

Outcome:

- Students learned various functions and techniques of Python language.
- Students acquired knowledge about analysing huge amount of data with simple python functions that are used in various industrial applications.

Student Performing Tasks:

Guest Lecture on "Careers in IT [15/4/2023]

We live in the information age, so jobs in storing, sorting and presenting information are essential. Whether you're programming computers or working in a library, for many of these jobs you'll need an analytical mind and an organized approach. In order to prepare students about the current technology and current demand of the market, we had conducted a guest lecture for students of MSC on 15/04/2023 on the topic "Careers in IT" .

It is important to help students choose the right career path according to their skills and interest.

To deliver the guest lecture institute had invited Ms. Snehal Agashe Technical Lead at Cognizant, Pune Ms. Snehal Agashe is having experience in various domains like, Devops ,Technical, Strategic Planning & Promotion & Launches, Institutional Sales, Relationship Management.

OBJECTIVES:

Our objective for conducting guest lecture is to bring conceptual knowledge, corporate experience and help students choose the right career path, according to their skills and interest.

The objectives of this guest lecture in particular are:

To make the students aware about the latest trends in Information Technology.

To make the students understand the Career opportunities in IT sector.

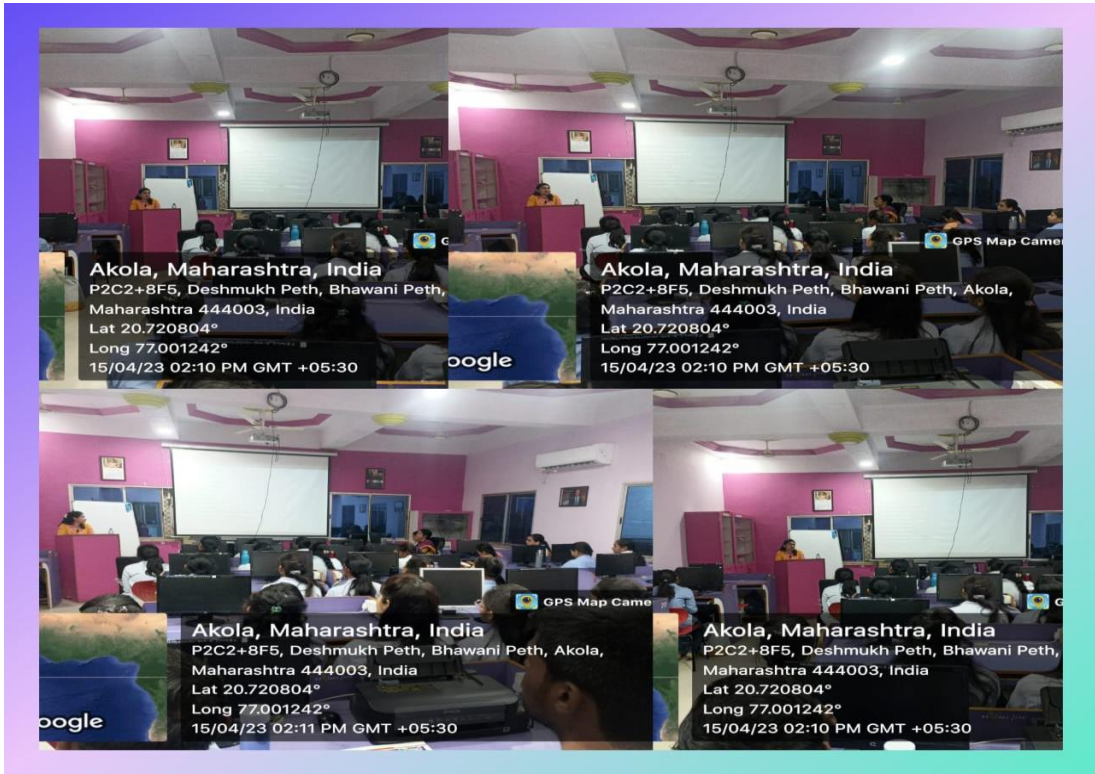

To provide a forum for students to interact with subject experts.

The key points of discussion were:

- (Social Media, Mobile, Analytics and Cloud Devops ,)
- How To Crack Interviews?
- We got introduced with variety of tools like
- Social Media: Pinterest (Visual Discovery Tool)
- Mobile: Lyft (Your Friend with a car), Google Wallet
- Analytics: Detour (Discovering sensible pattern) everyday, to connect ourselves with the rest of the world, Hadoop,
- Devops
- MangoDB.

REPORT OF GUEST LECTURE

ON

CAREER OPPORTUNITIES IN MICROBIOLOGY

Topic : Career Opportunities in Microbiology

Date : 22nd November, 2022

Time : 1.30pm

Venue : Vasant Sabhagruh

Speaker : Dr.S.D.Patankar

Objective : To aware the students about the Career Opportunities in various field of Microbiology

The Guest Lecture on Career Opportunities in Microbiology was organised by Dept of Microbiology, Shri Shivaji College, Akola for UG & PG students. The invited speaker was Dr. S.D. Patankar, National Convenor, MBSI. So with the objective to aware the students about the Career Opportunities in Microbiology sir has nicely delivered the Lecture from UG & PG Students point of view.

The Lecture was organised on 22nd of November, 2022 at 1.30 pm.in Vasant Sabhagruh. The anchoring of the programme was done by Ms. Nikita Sonar M.Sc.II student. The Chairperson & President of the programme was Hon'ble Dr.S.G.Shende, Incharge, Science Faculty, Guest of Honor Hon'ble Dr.D.D. Bhokare, District Coordinator Amaravati Division MBSI, Dr.A. S. Raut, IQAC Coordinator, Dr. S. N. Zodpe, Head, Dept of Microbiology were present. Similarly teaching faculties of the Dept, Dr. D. L. Barate, Dr. M. S. Thakare, Mr. R.V. Darade, Ms. G.V.Nikalje, Ms .I. D.Mankar, Ms.A.D.Vaidya &

Ms.S.V.Narwade was present. The programme was started with the Light Lampning and then Floral wel come of the dignitaries present. Also the Falicitation of Hon'ble Dr. S.D. Patankar Sir by offering him Sholl, Shrifal & Boquet as a token of love in presence of dignitaries & all teaching & Non teaching Staff of the Department.

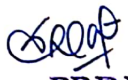

Dr. S. D. Patankar has nicely delivered the information about Microbiology, Branches of Microbiology & recent advancement in the subject. Sir has mainly focussed on various fields of Microbiology such as Agriculture, Medical, Industrial, Environment, Genetics ,Fishery, Water Management, Food & many more branches where student can developed their career. In his Lecture he mainly focused on Current Scenario about the need of research, burning issues in various branches of Microbiology, also interact with UG & PG students & solve the related queries of the students.

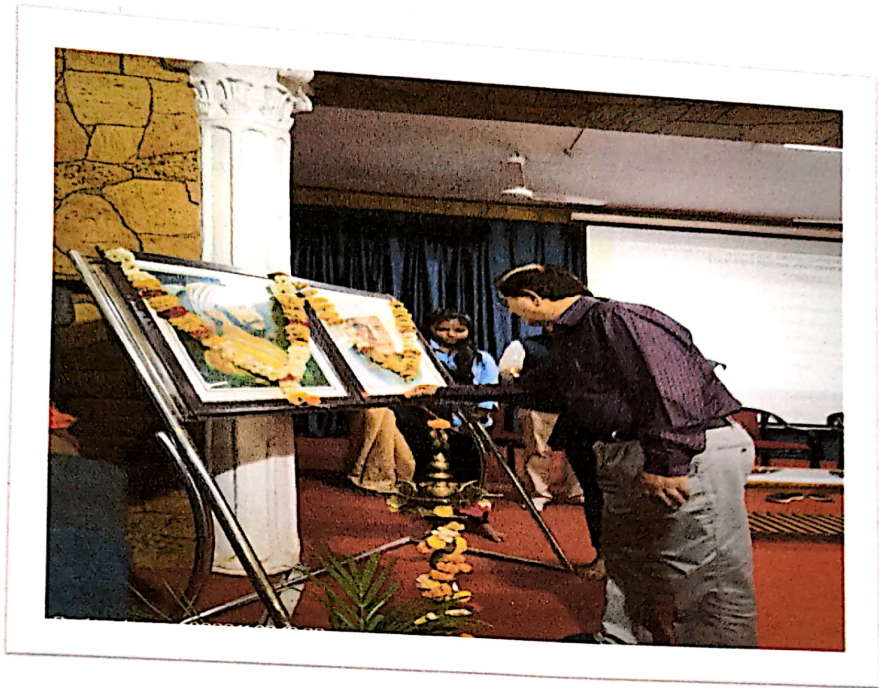

Being a National Convenor, MBSI they also interact with the students about the role of Microbiologists Society & working of MBSI. All the UG & PG students get highly benefitted with the informative talk.

At the end Ms. Pratiksha Vakil, M. Sc. II student proposed Vote of thanks for the Guest Lecture.

REPORT OF GUEST LECTURE
ON
RESEARCH METHODOLOGY

Topic: Research Methodology

Time: 1.00pm

Venue : ICT Hall, Dept of Microbiology

Speaker: Dr. R. R. Pachori (Sharma) Asso. Prof. & Head,
Dept of Microbiology, R.A. College, Washim

Objective : To inculcate the students with the knowledge of Research

The Guest Lecture on Research Methodology was organised by Dept of Microbiology, Shri Shivaji College, Akola for M.Sc.I & M.Sc.II students. The M.Sc.II curriculum includes Research Projects on various aspects of Microbiology. So with the objective to acquaint the students with the knowledge of Research, various methodology involved, How to write the Dissertation & to gain all related information this Guest Lecture was arranged.

The Lecture was organised on 26th of November, 2022 at 1.00pm in ICT Hall. Total 45 students of PG classes had attend the programme. The anchoring of the programme was done by Ms. Vaishnavi Kanganate M.Sc.I student. The Chairperson & President of the programme was Hon'ble Dr. A. L. Kulat, Principal, Guest of Honor Hon'ble Dr. A. S. Raut, IQAC Coordinator, Dr. S. N. Zodpe, Head, Dept of Microbiology were present. Similarly teaching faculties of the Dept, Dr. D. L. Barate, Dr. M. S. Thakare, Mr. R. V. Darade, Ms. G. V. Nikalje,

Ms.I. D.Mankar, Ms.A.D.Vaidya&Ms.S.V.Narwade was present.The invited speaker for the Guest Lecture was Hon'ble Dr.R.R.Pachori (Sharma) Asso. Prof.& Head,Dept of Microbiology, R.A.College, Washim.The programme was started with the Light Lampning and then Floral wel come of the dignitaries present. Also the Falicitation of Hon'ble Dr.A.L.Kulat Sir Principal, for their grand success in Senate Election in presence of dignitaries & all teaching &Non teaching Staff of the Department was done.

Dr.Pachori has nicely delivered the information regarding theResearch Methodology. She mainly focussed on different methodologies, aspects of research, how to focus on choice of subject, what student should include in their research project & on various fields of research. In her Lecture she mainly focused on Current Scenario about the need of research, burning issues in various branches of Microbiology, also interact with PG students & solve the related queries of the students.

Being a BOS Member she also share information with students regarding the revised syllabus of M.Sc.I& on Skill Enhancement Paper. Madam also focused on Internal Assesment activity, University Paper pattern & Academic Bank Credit. All the PG students get highly benefitted with her informative talk.

At the end Ms.VaishnaviDamdhar , M.Sc.I student proposed Vote of thanks for the Guest Lecture.

R. A. College, Washim

Respected Madam,

It gives us immense pleasure to appreciate the way you enhance the knowledge of PG Microbiology students regarding the Research Methodology & enlighten our students from your Guest Lecture.

Thank you madam for your valuable time & kind Cooperation

Thanking you

Yours Sincerely

Subject : Invitation for Guest Lecture for M.Sc. II Microbiology students.

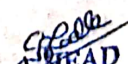

Respected Madam,

It's a great pleasure for me to invite you to delivered Guest lecture for M.Sc. II Microbiology students on Topic **Research Methodology** held on 26 November,2022 at 1.00 pm in Department of Microbiology, Shri. Shivaji College of Arts, Commerce & Science, Akola.

So, I request you Madam to Please except our invitation & Enlighten our students with your Knowledge..

Thanking you

Yours Sincerely

Preface

This was the 6th consecutive year of this Lonar Science Festival which was started with the objective of National Science Day and Conservation of Lonar Lake. The festival was organized at Late Ku. Durga K. Banmeru Science College, Lonar on 03rd and 04th March 2023. This was organized in collaboration with Pandit Ravishankar Shukla University Raipur, Vimukt Foundation, Pune, Late Kamalabai Banmeru Women's College of Arts, Commerce and Science, Lonar, Sri Shivaji College, Akola and Devgiri College Chhatrapati Sambhajnagar. Under the chairmanship of Principal Dr. Prakash K. Banmeru and under the guidance of Dr. Pandit Vidyasagar (Ex-Vice Chancellor, SRTMU, Nanded), this festival was celebrated at the national level this year.

The festival was sponsored by Vimukt Foundation, Pune. In this festival along with science exhibition, lectures by researchers and dignitaries, national conference on geological importance of lonar lake etc. were organized. The festival which is being started with the aim of creating public awareness about the conservation of Lonar Lake, which is a wonderful gift of nature and has received Ramsar status, and to develop scientific attitude among the students through the organization of National Science Day. The good response for this festival is giving more strength to the college to implement such innovative activities for the upliftment of the students.

Science Flame Rally

The festival started on March 3rd at 10 am with Vigyan Jyot Rally. Tehsildar Saifan Nadaf of Lonar were present as a chief guest. Chief Organizer of Science Festival, Principal Dr. Prakash K. Banmeru, Mr. Mahesh Patil (Head of Advisory Committee of Maharashtra State Engineering College), Shri Deepak Salve (Health Coach), all the faculty and students of the college were present.

This rally was organized with the aim of creating awareness about science among the students and on this occasion the students also gave a good presentation of Lezim, the role played by the student CV Raman was attracting attention.

Principal Dr. Prakash K Banmeru, Tehsildar Saifan Nadaf, Mr. Mahesh Patil and other dignitaries while lighting the science flame and flagging off the rally.

Students doing a great presentation of Lezim

Inaugural Ceremony

After the Science Flame Rally, the opening ceremony of the 6th National Level Lonar Science Festival was held. The program started with lamp lighting and idol worship and university song. On this occasion, the President of the program, Dr. Prakash Banmeru, Inaugurator Dr. Omraj Gajbhiye (In-charge Principal of M&S College, Mehkar), Chief Guest Mr. Mahesh Patil (Chief Advisor of Maharashtra State Engineering College Committee), were present on the stage.

Dr. Omraj Gajbhiye while inaugurating the program praised the initiative of the college and opined that education should be done not only for the accumulation of information but for the welfare of humanity. Dr. Pandit Vidyasagar, guided the audience through online mode system and urged the students to contribute to the development of the country by emphasizing on research. He expressed his happiness to see the growing scope of this festival which started from his concept.

Addressing the students in his unique style, the keynote speaker Mr. Mahesh Patil gave a fundamental advice that students with a degree in basic science have a bright future and a lot of job opportunities, but for that, students should complete skill-based certificate courses along with traditional education. Speaking at the presiding conclusion of the festival, the principal of the college, Dr. Prakash Banmeru asserted that through this activity of the college, the students get guidance from scientists and dignitaries in various fields and get an opportunity to present their innovations through science exhibition. The vote of thanks was done by co-convenor Dr. Milind Gaikwad and anchoring was done by Dr. Mahendra Bhise.

Inauguration of science exhibition

In the afternoon session, inauguration of science exhibition was done by the hands of Chief organizer of the festival, Principal Dr. Prakash Banmeru, Dr. Ganesh Gaikwad, Dr. Vaishali Shelke. A total of 63 students from various colleges of various universities participated in this science exhibition organized for college students with posters in innovative scientific models. This science exhibition was organized in the following five categories.

1. Importance and Conservation of Lonar Lake
2. Basic and General Science
3. Agriculture and Animal Husbandry
4. Science and Technology
5. Medicinal plants and their production

The evaluation of this science exhibition was done by a committee consisting of Dr. Sandeep Shirasath of Devagiri College, Chhatrapati Sambhajinagar, Dr. Vaishali Shelke of Burungale college, Shegaon; Rranrameshwar Devhade of Adarsh College, Hingoli, Dr. Mahendra Bhise of LKDK Banmeru College, Lonar.

Farewell and Prize Distribution Ceremony

In the last session of the first day, the farewell ceremony and prize distribution ceremony of this science exhibition was held. Principal of the College Dr. Prakash Banmeru, Dr. Santosh Banmeru (Secretary of Amrut Sevabhavi Sanstha, Parbhani), Dr. Rajendra Borse, (In-charge Principal, Bhagwan Baba College, Lonar), Health Trainer Mr. Deepak Salve were present.

The first prize of Rs 5000 in science exhibition was won by Vijay Digole and Gaurav Adhava of Burungale College, Shegaon, second prize Rs 3000 won by Rishikesh Harkal and Jeevan Ingole of Adarsh College, Hingoli, and the third prize Rs 2000 won by Palak Mhota and Dhanshree Deshmukh of Shivaji College, Akola.

The commemorative prize of Rs 1000 each was awarded to Mo. Saher of Sri Pundalik Maharaj College, Nandura and Swaraj Deshpande and Shubham Kalaskar of Devagiri College, Chhatrapati Sambhajinagar. Mr. Shivshankar More also announced the result of the science quiz conducted by the college on 28th Feb 2023.

Among them, first prize Rs.1000 won by Sailesh Virkud of Gokhale Education Society Shrivardhan, second prize Rs.700 won by Manoj Patil of Pratap College, Amalner, third prize Rs.500 won by Seema Raut of Amravati University and incentive prize of Rs.250 each to Monali Pangaone, G.N.M.D. College Sinnar and Sumit Sable of Vivekananda Vidyalaya Hivra Budruk. Mr. Saurabh Gaikwad anchor the prize distribution ceremony and Kamlakar Wawhal gave the vote of thanks.

Felicitation ceremony at the inaugural function

Sixth National Lonar Science Festival 2023

Felicitation ceremony at the inaugural function

Dr. Milind Gaikwad, coordinator of this national conference, gave the introduction and outline of this conference. Dr. Vijay Nagre, speaking in his inaugural speech, appreciated the efforts of the college for the conservation of the world famous Lonar Lake and they mentioned that they will try As a member of the management council of Saint Gadgebaba Amravati University, it is mentioned that he will try to get support and cooperation for this festival through the university.

After this, the Principal, Dr. A. L. Kulat, while expressing his thoughts, advice that the students and all of us should use science and technology properly to

Sixth National Lonar Science Festival 2023

make our progress, and thanked the Principal, Dr. Prakash Banmeru, for giving opportunity to participate his college in this science festival.

The keynote speaker Dr. Daulat Sonone advised the students to work as science pioneers and mentioned that the conservation of Lonar Lake is very important in terms of research and speaking at this time he praised the festival which is ongoing under the guidance of Dr. Prakash Banmeru.

President of Amrut Sevabhavi Sanstha Parbhani Mrs. Ushatai Gole appreciated the various activities being implemented by the College for the conservation of Lonar Crater and the overall development of the students. Speaking in the concluding speech of the festival, Dr. Prakash Banmeru said that the name of the college has reached the national level through this festival, while mentioning that this festival is one of the best activities for the NAAC. On this occasion, Mr. Sharik Shaikh anchor the programme, Preface was given by coordinator Dr. Milind Gaikwad and vote of thanks done by Dr. S. B. Borul.

While guiding at National Conference, Dr. Vijay Nagre, Dr. Prakash Banmeru, Dr. A. L. Kulat and Dr. Daulat Sonone

Sixth National Lonar Science Festival 2023

In the afternoon session, Dr. Daulat Sonone, Dr. Kulkarni, Dr. Milind Gaikwad, Dr. Ganesh Gaikwad and other participating professors presented research papers and a total of 23 researchers participated in this. Later, the closing ceremony of this National Conference was held. Principal Dr. Prakash Banmeru, Coordinator Dr. Milind Gaikwad, Co-Coordinator Prof. Saurabh Gaikwad, Co-Coordinator Dr. Ganesh Gaikwad were present and certificates were distributed to the participating researchers. The research paper presented at this National Conference has been published in 'Ideal' - UGC Listed and Peer Revival Journal (Impact Factor 7.537). All the teachers and non-teaching staff made efforts for the success of the program.

देशोन्नती

बनमेरु विज्ञान महाविद्यालयात विज्ञान प्रदर्शनीचे आयोजन

देशोन्नती वृत्तसंकलन...

लोणार ■ स्वानिक के. कु. दुर्गा क. बनमेरु विज्ञान महाविद्यालयात ३ व ४ मार्च रोजी राष्ट्रीय विज्ञान दिन व लोणार सरोवराचे संवर्धन या उद्देशाने सहाय्ये राष्ट्रीय लोणार विज्ञान महोत्सवाचे आयोजन करण्यात आले आहे.

हे आयोजन विमुक्त फाउंडेशन पुणे, के. कमलाबाई बनमेरु कला, वाणिज्य व विज्ञान महाविद्यालय, लोणार, पंडित रविशंकर शुक्ला विद्यापीठ रायपूर, श्री शिवाजी महाविद्यालय अकोला व देवगिरी महाविद्यालय छत्रपती संभाजीनगरच्या संयुक्त विद्यमाने करण्यात आलेले आहे. यामध्ये ३ मार्च रोजी विज्ञान प्रदर्शनीचे आयोजन करण्यात आले असून ४ मार्च रोजी 'लोणार सरोवराचे भूगर्भशास्त्रीय महत्त्व' यावर राष्ट्रीय परिषदेचे आयोजन करण्यात आले आहे.

महाविद्यालयाचे प्राचार्य डॉ. प्रकाश बनमेरु या महोत्सवाचे प्रमुख आयोजक असून

कार्यक्रमाच्या अध्यक्षस्थानी अमृत सेवाभावी संस्था परभणीच्या अध्यक्षा मा. उषा गोले तर प्रमुख अतिथी म्हणून स्वा.रा. ती. म.वि.चे माजी कुलगुरू डॉ. पंडित विद्यासागर, अमृत सेवाभावी संस्था परभणीचे सचिव डॉ. संतोष बनमेरु, महाराष्ट्र राज्य अभियांत्रिकी सल्लागार समितीचे प्रमुख सल्लागार महेश पाटील, श्री शिवाजी महाविद्यालय, अकोला येथील प्राचार्य डॉ. ए. एल. कुलट, देवगिरी महाविद्यालय, छत्रपती संभाजीनगर येथील प्राचार्य डॉ. अशोक तेजनकर, संत गाडगे बाबा अमरावती विद्यापीठाचे व्यवस्थापन परिषद सदस्य डॉ. विजय नागरे, सीताबाई कला महाविद्यालय अकोला येथील प्राचार्य डॉ. आर. डी. सीकवी, स्व. पुष्पादेवी पाटील महाविद्यालय, रिसोड येथील प्राचार्य डॉ. एम. एन. गायकवाड, भगवान बाबा महादेव लोणार येथील प्राचार्य डॉ. राजेंद्र बोरसे उपस्थित राहणार आहेत.

पंडित रविशंकर शुक्ला विद्यापीठ रायपूर येथील कुलगुरू माननीय डॉ. केवटीलाल वर्मा हे दूरदर्श प्रणालीद्वारे या महोत्सवामध्ये

सहभागी होणार आहेत. तसेच डॉ. बाबासाहेब आंबेडकर मराठवाडा विद्यापीठ, छत्रपती संभाजीनगर येथे प्राध्यापक डॉ. दीलत सोनोने, श्री शिवाजी महाविद्यालय चिखली येथील प्राध्यापिका डॉ. जे. यू. पोखरी उपस्थित असणार आहे.

या विज्ञान महोत्सवातील विज्ञान प्रदर्शनी आणि राष्ट्रीय परिषदेमध्ये विविध महाविद्यालय विद्यापीठातील बहुलांश विद्यार्थ्यांनी आणि प्राध्यापकांनी सहभागी व्हावे असे आवाहन समन्वयक प्रा. सौरभ गायकवाड, सह समन्वयक डॉ. मिलिंद गायकवाड, डॉ. गणेश गायकवाड, डॉ. रंजना गायडे यांनी केले आहे.

विज्ञान प्रदर्शनी मध्ये पहिल्या तीन विजेत्यांना अनुक्रमे रु. ५०००, रु. ३००० व रु. २००० देण्यात आले आहे.

राष्ट्रीय परिषदेसाठी रिसोड टूरस इन जिओ सायन्स, जिओ लाईफ सायन्स स्टडी, एन्व्हायरमेंट स्टडी, मेटल स्टडी, योहायव्हर्सिटी स्टडी इत्यादी उपविषय सुद्धा देण्यात आलेले आहेत. (ता.प्र.)

Report Of One Day Workshop for UG I & PG Students

ON

BIOFERTILISER FOR BETTER TOMORROW

- Topic : Biofertiliser for better tomorrow
Time : 2.00pm – Inaugural Function
12:00 -1.30 pm Poster Judgement
2.30pm – Guest Lecture
Venue : Dept of Microbiology for Poster
Vasant Hall : Inaugural Function & Guest Lecture
Speaker : Hon.Dr. D.D.Bhokare ,
Professor, Dept of Microbiology,Khandelwal,College,Akola
Objective : To inculcate the skill about Biofertiliser preparation among the students for eco-friendly farming

The One Day Workshop for UG I & PG Students_on Biofertiliser for better tomorrow__was organised by Dept of Microbiology, in collaboration-with IQAC,Shri Shivaji College, Akola for B.Sc.I, M.Sc.I & M.Sc.II students. The B.Sc.I curriculum includes Skill Enhancement Module on Biofertiliser ,its uses in farming. Preparation of various types of. Biofertiliser by using different microflora is the need of the day as eco-friendly aspect. So with the objective to acquaint the students with the knowledge of Biofertiliser Preparation & to gain all related information this Guest Lecture & poster competition was organised.

Similarly Poster Competition was also organised for B.Sc.I students. Students had actively participated in Poster Competition. By using various concepts of Biofertiliser Preparation & microflora involved, students had prepared a very conceptual posters.

The Lecture & Poster Competition was organised on 26th of November, 2022 at 1.00 pm. in ICT Hall. Total 45 students of PG classes had attended the programme, while 60 students had actively participated in Poster Competition. The posters were judged by the Jury Dr. D.K. Koche, Professor, Dept. of Botany & Dr. M. T. Sangole, Assistant Professor, Dept. of Chemistry.

The anchoring of the programme was done by Ms. Nikita Sonar M.Sc.II student. The Chairperson & President of the programme was Hon'ble Dr. A. L. Kulat, Principal, Guest of Honor Hon'ble Dr. A. S. Raut, IQAC Coordinator, Hon'ble Dr. S.G. Shende, Incharge, Science Faculty Dr. S. N. Zodpe, Head, Dept of Microbiology were present. & Organising secretary of Workshop Dr. D. L. Barate, & teaching faculties of the Dept Dr. M. S. Thakare, Mr. R. V. Darade, Ms. G. V. Nikalje, Ms. J. D. Mankar, Ms. A. D. Vaidya & Ms. S. V. Narwade were present. The invited speaker for the Guest Lecture was Hon'ble Dr. D. D. Bhokare, Professor, Dept of Microbiology, Khandelwal College, Akola. The programme was started with the Light Lampning and then Floral welcome of the dignitaries present.

Hon'ble Dr. D.D. Bhokare, has nicely delivered the information regarding the Biofertiliser Preparation. He mainly focussed on different methodologies, aspects of Biofertiliser, how to select microflora, types of Biofertiliser. In his Lecture he mainly focused on Current Scenario about the uses & benefits of Biofertiliser, crop improvement & various Funding Agencies, They also interact with PG students & solve the related queries of the students.

01	First	Mr. Arpan Ajmire	Adarsh Mahavidyalaya Dhamangaon Rly. Dist. Amravati
02	Second	Ms. Dnyaneshwari Dharmale	J.D. Patil Sangludkar Mahavidyalaya, Daryapur, Dist Amravati
03	Third	Mr. Gaurav Rathod	G.S. College, Khamgaon. Dist. Buldhana
04	Consolated	Ms. Palak Mohota	Shri Shivaji College of Arts Commerce and Science, Akola

Name of Judges/ Observer along with the name of College.

Sr. No.	Name of the Judge	Name of the college
01	Dr. Pavan Raut	Smt. Radhabai Sarda Arts, Commerce and Science College, Anjangaon Surji Dist. Amravati
02	Dr. M. O. Malpani	Shri Shankarlal Khandelwal College, Akola.

Name of the District Coordinator who attended the activity: -

Sr. No.	Name of the District coordinator	Name of the college
01	Dr. Kavita Heda	R.L. T. Science College, Akola
02	Dr. Sharad Idhole	Gulam Nabi Azad College Barshitakli

Brief Report of Students Feedback: -

- Students give their remark on provided feedback form about the activity "Excellent Activity".
- They also give remark Very Good on Seminar Auditorium, inaugural Ceremony, LCD Projector facility, food, Valedictory and overall arrangement etc.

Brief Report of observer Comments: -

- Observer satisfy about overall arrangements.

Brief Report of Overall Inaugural Ceremony: -

The ceremony was chaired by Host College Principal Dr. A.L. Kulat. The Inaugurator of this ceremony Hon'ble Prof. Sureshji Raut, Life Member Shri Shivaji Education Society and CDC Member Shri Shivaji College, Akola and Guest of Honor Hon'ble Shri. Prashantji Deshmukh

CDC Member, Shri Shivaji College, Akola. For this inauguration AUCTA's Secretary and Head Department of Chemistry Dr. K. N. Puri was actively take part and Akola District Coordinators Dr. Kavita Heda and Dr. Sharad Idhole was also present. All staff members of Chemistry department and all HoD of respective departments was present.

Brief Report of Valedictory Ceremony: -

The ceremony was chaired by Host College Principal Dr. A.L. Kulat. Chief Guest of valedictory function Dr. S. G. Shende Head Science faculty of Shri Shivaji College, Akola. AUCTA's Secretary and Head Department of Chemistry Dr. K. N. Puri was present, Dr. Rahul Sawarkar Asst. Prof. Department of Chemistry J. D. Patil Sangludkar Mahavidyalaya, Daryapur and Mr. Sopan Ingole astt. Prof Department of Chemistry M. S. P. Arts & Science College Manora, Dist. Washim, also present on dies as a guest and the jury member declare the result and all respective members on the dies distributed the prizes I st., II nd., III rd. and Consolidated, all staff members of Chemistry department was present.

Brief Report of AUCTA's Contribution: -

Our College as well as our Department of Chemistry of this college very thankful to AUCTA to give an opportunity to organize such activity, they had taken the follow up of registration of students. AUCTA provides the required necessary things also provide the TA to and fro to the students and remuneration to Judges.

For this event over eighty students were registered for different events along with 13 faculty members who were mostly the team managers and worked as jury members for the different competition.

On the day the event was started by 10.00 am with registration and Inaugural function. The event was inaugurated at the hands of Dr. P. A. Gawande, Professor, Department of Botany, and Chairman Board of Studies in Botany, Sant Gadge Baba Amravati university, Amravati. He has addressed the gathering on importance of wetlands to mankind. The event was chaired by Respected Dr. A. L. Kulat Sir, Principal Shri Shivaji College of Arts, Commerce and Science, Akola. Dr. P. P. Umale, Head, Department of Botany has given welcome address and after presidential address, Dr. S. A. Rathod has given the vote of thanks.

After Inaugural function, all four competitions were inaugurated and all the competitions were handed over to their jury members. Jury members were as below-

Seminar Presentation

- Dr. Himanshu Jaishwal
- Dr. Suchita Dighe

Poster Presentation

- Dr. Anand Hiwrale
- Dr. Pradhnya Khapekar

Botanical Drawing

- Dr. Santosh Suradkar
- Dr. Gokul Bajaj

Scientific Content Writing

- Dr. Rupali Shirsat
- Dr. Manoj Kakpure

After the competitions were over, all the participants and volunteers has taken lunch and then gathered for valedictory function. The valedictory function was chaired by Dr. S. G. Shende, Head of faculty, Science and Technology, Shri Shivaji College of Arts, Commerce and Science Akola. The chief guests were Dr. V. U. Pochi, Professor, Shri Shivaji College of Arts and Science, Chikhali and Dr. M. A. Dhore Professor, Department of Botany, BP college Digras. Here the top ranked students in each category were felicitated with flowers, certificate and mementos and certificates were given away to all the participants. Dr. Anand Oke anchored the event, chief guest expressed their views, later few participants also expressed their views. After Presidential address, Dr. D. K. Koche presented the vote of thanks on behalf of organizing committee, Department and College as host institution.

Outcome:

1. Over eighty students has participated in the event from various college of Maharashtra. And has first hand information regarding the awareness of wetlands importance and their conservation.
2. It was the common platform for all participant to showcase their ideas. All participants has done their beat and were confident in their presentation.
