**A NATIONAL WORKSHOP ON
RESEARCH, ETHICS AND APPLICATIONS
(IPR)**

30TH JAN. 2024

**A NATIONAL WORKSHOP ON
RESEARCH, ETHICS AND APPLICATIONS
(IPR)**

30TH JAN. 2024

Objectives of the Event:

1. To promote the research culture among the college students and faculty members
2. To provide a common platform for the Ph. D. students to present their ideas.
3. To deliver the knowledge to teaching and researcher community regarding IPR

Number of participants for the National Workshop

- i. Faculty members: 124
- ii. Research Students: 97
- iii. PG students : 86

Resource Persons for Workshop:

1. Dr. Vijaykumar Choubey
Professor, Department of Law
Sant Gadge Baba Amravati University, Amravati
2. Dr. Prashant Gawande
Professor, Department of Botany
Sant Gadge Baba Amravati University, Amravati
3. Dr. Ravindra Sarode
Professor, Library and Information Science
Sant Gadge Baba Amravati University, Amravati

SHRI SHIVAJI COLLEGE OF ARTS, COMMERCE AND SCIENCE, AKOLA (MS)

IQAC and RDC Organizes

One-Day National Workshop On

Research, Ethics and Applications

30th January 2024

Patron

Hon'ble Shri Harshvardhanji Deshmukh (President SSES, Amravati)

Hon'ble Dr. A. L. Kulat (Principal, Shri Shivaji College Akola)

RSVP

Dr. Ashish Raut (Coordinator- IQAC) and all members of IQAC

Dr. Dipak Koche (Coordinator- RDC) and all members of RDC

Inaugurator and Keynote speaker

Dr. Vijaykumar Chowbe
Professor, Department of Law,
Ex-Pro Vice Chancellor,
Sant Gadge Baba Amravati University, Amravati

Lead Lecture

Dr. Prashant Gawande
Professor, Department of Botany,
Sant Gadge Baba Amravati University, Amravati

Plenary Lecture

Dr. Ravindra Sarode
Professor, Department of Library and Inf. Science,
Sant Gadge Baba Amravati University, Amravati

Workshop Schedule

Registration (10.00 to 10.30 am), Inauguration (10.30 to 11.00 am), Keynote (11.00 to 11.45 am), Lead Lecture (11.50 to 12.40 pm); Plenary talk (12.45 to 1.15 pm); Lunch (1.20 to 2.00 pm); Poster sessions- 1,2,3 (2.15 to 3.30 pm), High tea (3.35 to 4.00 pm); Vaedictory function (4.00 to 5.00 pm).

Who can participate: All the faculty members All Ph. D. Research students	Registration Charges Faculty Members = Rs. 300/- Research Student = Rs. 200/-	Registration Charges include: Registration Kit, I-card, Lunch, high tea and Participation Certificate

SHRI SHIVAJI COLLEGE OF ARTS, COMMERCE AND SCIENCE, AKOLA

A NATIONAL WORKSHOP ON

RESEARCH, ETHICS AND APPLICATIONS (IPR)

30TH JAN. 2024

Program- Schedule

Inaugural Function	11.00 to 11.50
1. Lamp Lightning and Garlanding	11.00 to 11.05
2. Welcome of Guest	11.05 to 11.15
3. Welcome address	- Dr. A. S. Raut (Coordinator- IQAC) 11.15 to 11.25
4. Inaugural address	- Dr. Vijaykumar Chowbe 11.30 to 11.35
5. Presidential remarks	- Dr. A. L. Kulat 11.35 to 11.45
6. Vote of Thanks	- Dr. D. K. Koche 11.45 to 11.50
Anchor- Dr. Mamta Sangole	
Session – 2 Key Note Address	- Dr. Vijaykumar Chowbe 12.00 to 12.40

Session- Anchor- Dr. D. K. Koche		
Lead Lecture	- Dr. Prashant Gawande	12.45 to 1.30
Session Anchor- Dr. Monali Mhasal		
Lunch Break	-	1.30 to 2.30 pm
Session- 3 Poster Presentation	- Dr. Ravindra Sarode And Expert faculties	2.30 to 4.30
Certificate Distribution	-	4.30 to 5.00

Outcome:

1. The fundamentals of IPR and copywriting was delivered to faculty and research students and PG students
2. A common platform was provided to faculty and researchers to present their ideas
3. Over 90 Ph. D. students have presented their research ideas on this platform

Inaugural event- of National Workshop on Research Ethics and Applications

REPORT OF GUEST LECTURE

ON

INTELLECTUAL PROPERTY RIGHTS (IPR)

Topic : Intellectual Property Rights (IPR)

Time : 3.00pm

Venue : ICT Hall, Dept of Microbiology

Speaker : Dr. A.S. Raut. IQAC Coordinator & Librarian, Shri Shivaji College of Arts, Commerce & Science, Akola

Objective : The objective of intellectual property protection is to encourage the creativity of the human mind for the benefit of all and to ensure that the benefits arising from exploiting a creation benefit the creator

Intellectual property (IP) is an intangible property that comes into existence through human intellect. It refers to the creations of the mind or the products of human intellect such as inventions; designs; literary and artistic works; symbols, names and images used in commerce.

In India, there are 7 types of intellectual property rights, namely – copyright, trademarks, patents, geographical indications, plant varieties, industrial designs and semiconductor integrated circuit layout designs

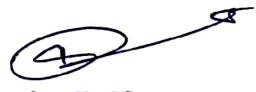

The Guest Lecture on Intellectual Property Rights (IPR) was organised by Dept of Microbiology, Shri Shivaji College, Akola for M.Sc. I & M.Sc. II students.. To provide information to the students about to encourage the creativity of the human mind for the benefit of all and to ensure that the benefits arising from exploiting a creation benefit the creator, Similarly NEP Ist year syllabus includes the Chapter of IPR. So to get basic idea about IPR this Guest Lecture was arranged. The Lecture was organised on 1st September, 2023 at

3.00 pm.in ICT Hall. Total 41 students of PG classes had attend the Guest Lecture. The anchoring of the programme was done by Dr. Monika .S. Thakare. Dr. S. N. Zodpe, Head, Dept of Microbiology were present. Similarly teaching faculties of the Dept, Dr. D. L. Barate, Dr. M. S. Thakare, Ms .I. D.Mankar, Ms. A.D. Vaidya & Ms. S.V. Narwade, Ms. S.M. Pandey. Ms. P.R. Dighade & Ms. Sufiya Areeb was present. The invited speaker for the Guest Lecture was Hon'ble Dr. A.S. Raut. IQAC Coordinator & Librarian, Shri Shivaji College of Arts, Commerce & Science, Akola

The programme was started with the Light Lampning and then Floral wel come of the dignitaries present Dr. A.S. Raut Sir has nicely delivered the information regarding the IPR, types & of IPR by giving them day to day life examples,also interact with PG students & solve the related queries of the students. The guest lecture was very fruitful from syllabus point of view.

At the end Dr. Monika S. Thakare had proposed Vote of thanks for the Guest Lecture.

A bridge course for newly admitted students is conducted every year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at HSC level and subjects they would be studying at college level.

- Bridge Course was scheduled from **20/07/2023 to 24/07/2023**

- The syllabus for the course was framed in such a way that equal importance is given to B. Sc. Discipline subjects, Personality Development, Importance of Value Education and Guidance for future Career Opportunities.
- To ensure the smooth sailing during this phase, a lot of guidance and hand holding from the teaching fraternity is very much needed.
- So, before the commencement of regular classes bridge courses are conducted for newly inducted students.
- The strength of our relationship with the students is our ability to gauge their strengths and weaknesses.

Objectives of Bridge Course

- ❖ To leverage the learning skills of students with academic standards and academic performance.
- ❖ To gradually increase the self-confidence to face exams and syllabus of the new changed pattern.

Course Outcome

- Students will become familiar with the curriculum and examinations.
- Students will be able to design their own study schedule.
- Students will be acquainted well with the curricular and extracurricular activities
- Students will be able to manage personal responsibilities.

Day 1: 20/07/2023

Session 1:

Speaker: All Faculty Members

Topic: Introduction of Department of Computer Science And Faculty members

All the Faculty members and non-teaching staff introduced themselves to the students and welcomed them.

Session 2: Speaker: Ms. R. S. Kale

Topic: Use of Cloud Based Services in Academics and Math with Computer Programming.

In this session a basic introduction of Cloud Based Services in Academics and Math with Computer Programming was given by madam where students learned its application in academics.

This session was interactive, informative and based on Hands on Practice.

Day 2: 21/07/2023

Speaker: Ms. A. B. Dube

Topic: 5 Ds of Success

In this session Ms. A. B. Dube madam focused on the 5 D's of Success;

1. Duty
2. Devotion / Dedication
3. Discipline

4. Determination
5. Discrimination

Here students learned about Love for work, Devotion to the assigned tasks with Dedication, Respect for all beings around, Making the “right” choices – Right actions under all circumstances and Adherence to all the rules

Students also learned about

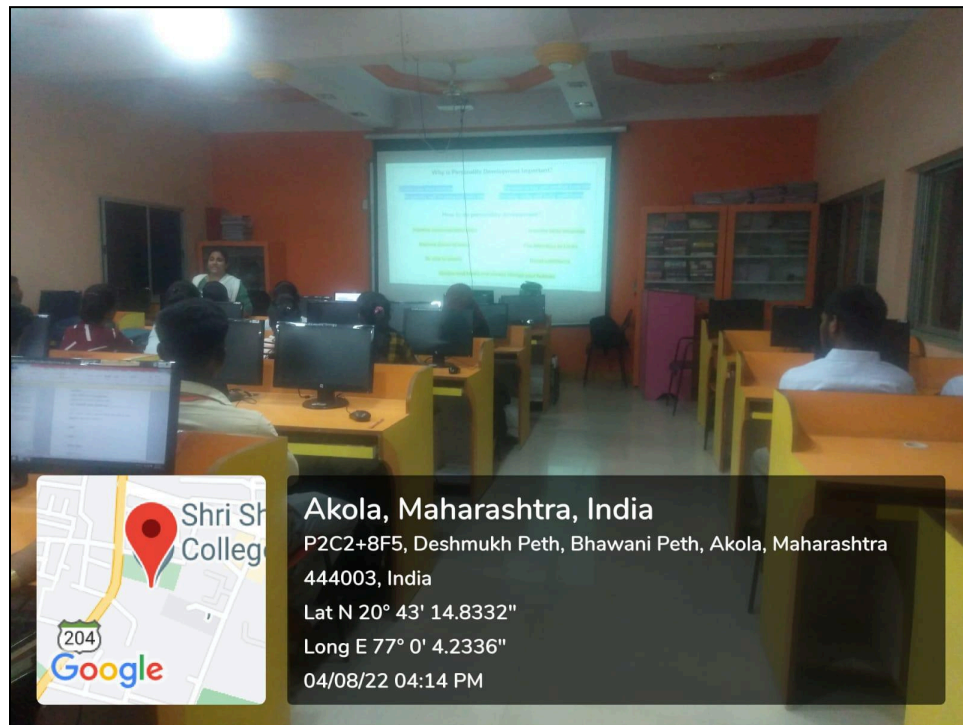

- Social Duty
- Obligatory Duty
- Family Duty
- SELF EVALUATION – ASSESSMENT OF CLASSROOM BEHAVIOR
- TEACHERS EVALUATION – ASSESSMENT OF CLASSROOM BEHAVIOR
- Self Motivation
- PARENTS’ EVALUATION – SITUATIONAL ANALYSIS

Tips for demonstrating a strong dedication to work were explained very well.

Day 3: 22/07/2023

Speaker: Ms. M. R. Gudade

Topic: Personality & Skill Development

In this session Ms. M. R. Gudade madam focused on Personality Development which included Overall Development of a person.

The importance of Personality Development was explained by a Questionnaire with the students, where students actively took participation and answered the questions.

The Key Points Discussed were

- Creating your own identity
- Removing stress and conflict from life
- Removing Negativity from life

- Developing skills and build confidence
- Improving communication skills
- Improving body language
- Improving dressing sense
- Paying Attention to Looks
- Being nice to people
- Boosting confidence
- Always read books and always change your hobbies

Basic Instruction for students to follow in the classrooms, Practical Labs and Campus were also told.

The Academic Schedule and Details about Assignments, Seminars, Practicals and their submission were informed.

Day 4: 24/07/2023

Speaker: Dr. S. M. Chavan

Topic: Extra Curricular Activities, Academic Guidance & Career Opportunities

In this session Dr. S. M. Chavan gave information about the Extra Curricular Activities & Career Opportunities. Importance of extracurricular activities for college students was explained very well.

The Key Points Discussed were

- Ability to work with others.
- Better Time Management
- Resume and Portfolio Builder.
- Excellent Tips To Make Your Resume Stand Out.

After the Session Exit Level Test and Feedback (HardCopy and Video) was taken from students.

Induction Program Report

Date: 26th August 2023

Venue: Vasant auditorium,
Shri Shivaji College, Akola

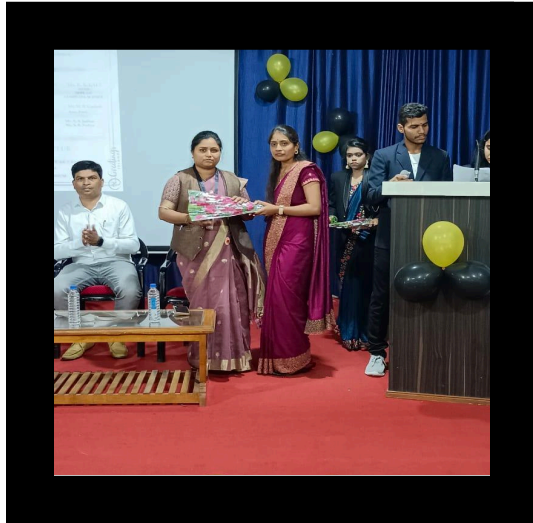

Induction program for the M. Sc. First year students of computer science were conducted on 26th august 2023 at “Vasant auditorium”. The purpose of this program was to facilitate a smooth transition into a new college environment through various discussions and activities.

Details of the Programme:

Inauguration of Innovate IT club at 01:00 PM at Vasant Auditorium by the hands of respected Principal sir Dr. A. L. Kulat Sir. Also, another chief guest was present which increases the importance of the program. Guests like our Principal Dr. A. L. Kulat sir, R. S. Kale Mam our HOD of computer science department, Prof. Anita Dube Mam, Dr. S. M. Chavhan, Prof. Mayuri Gudade, Mr. A. D. Bhilkar, Dr. A. A. Patokar, Mr. A. S. Jadhao, Ms. P. R. Shulka, Mrs. K. S. Takarani, Ms. S. R. Padiye. Program was started by lighting the lamp that makes the environment devotional.

After that we welcomed our chief guest respected principal sir and Faculty was done by offering flowers.

After a While we request our principal sir and HOD mam to motivate us on the occasion. That was the wonderful speech given by both of them.

Then we carried out the important part of the program that was the introduction of the juniors of M.Sc-I year students. But there was a twist in the program. The twist was that our respected Dube Mam introduced the teacher's staff in a unique way which was by saying their abilities in a poem. That was so interesting to hear

Teachers' day Celebration

Date: 5th September 2023

Venue: PG Lab,

Dept of Computer Science

Shri Shivaji College, Akola

Teachers' day is celebrated at the PG department of computer science by all teaching faculty and students on 5th September 2023.

Details Of the Programme:

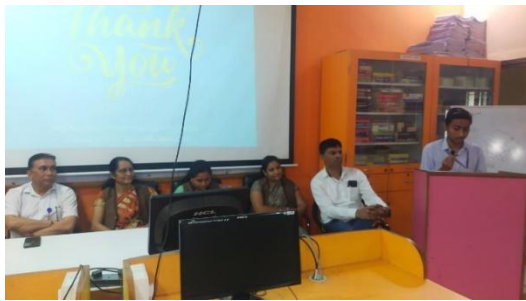

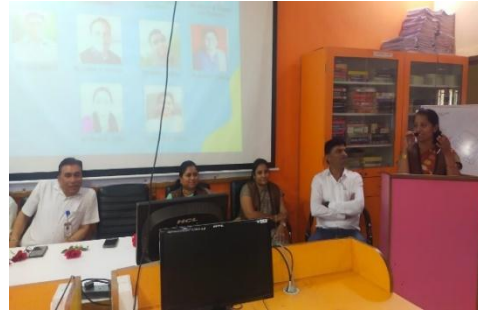

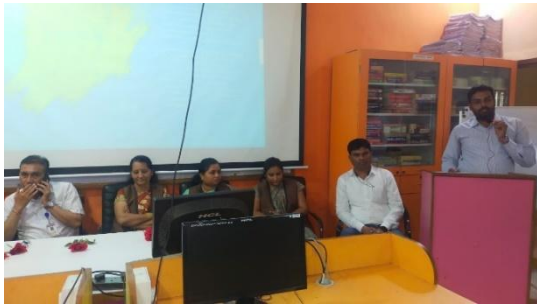

The chairperson of the program was Ms. R. S. Kale, Head department of Computer Science. The HOD madam was welcomed by Priyanka Bardiya M. Sc. II year student. Then Mrs. A. B. Dube madam welcome by Priya Pachpor M. Sc. II year student, Dr. S. M. Chavan Sir was welcomed by Akash Patel M. Sc. II year student, M. R. Gudade Madam was welcomed by Prashant Ghope M. Sc. II year student, Mr. A. D. Bhilkar sir was welcomed by Gayatri Tathod M. Sc. I year student, Dr. A. A. Patokar was welcomed by Tejas Wankhade M. Sc. II year student, Mr. A. S. Jadhao Sir was welcomed by Dnyanesh Bhalerao M. Sc. II year student.

The HOD madam and all the teaching staff shared their views and ideas about teaching experiences with students and motivated them. All teachers showcase their talent in other than teaching.

The students also expressed their feelings regarding the department and teacher. Jagdish Chavan M. Sc. II year student was felicitated with certificate of appreciation by HOD madam for consolation prize in Intercollegiate Seminar Competition held at Department of Computer Science, Shri Shivaji College, Amravati. He shared his experience. Program was conducted by Vaishnavi Kakade. Vote of thanks was proposed by Tejas Wankhade.

PG students were engaged in Practical and Theory of UG classes.

Guest Lecture on “Unlock Your Potential”

Date: 6th September 2023

Venue: PG Lab,

Guest lecture on “Unlock your potential” for B.Sc. And M. Sc. Students of Computer Science was conducted on 6th September 2023 at PG Lab of the Department of Computer Science. The purpose of this lecture was personality development of students.

Details Of the Programme:

The chairperson of the program was Dr. A. L. Kulat Sir, Principal, Shri Shivaji College, Akola. Other chief guest was Dr. A. S. Raut, IQAC coordinator, Dr. S. G. Shende, Head Faculty of Science, was present at the event.

The resource person for the program was Mr. Swapnil Borkar, Director, Wisdom academy, Akola. Dr. A. L. Kulat Sir welcomed the guest and gave the presidential address. Mr. Swapnil Borkar Sir has conducted very interactive sessions and guided students about personality development. Students enjoyed his session very much and asked many questions. After the lecture HOD madam presented the token of appreciation. The vote of thanks was given by Mahewash Faryan (student of B. Sc. III Year). The program was conducted by Tanaya Ingle(student of B. Sc. III Year). Total number of students attending the guest lecture was 92 (UG and PG both).

Guest Lecture on “Emotional Awareness & Coping Skill”

Date: 7th September 2023

Venue: PG Lab,

Guest lecture on “Emotional Awareness & Coping Skill” for M. Sc. Students of Computer Science was conducted on 7th September 2023 at PG Lab of the Department of Computer Science. The purpose of this lecture was to develop emotional awareness and how to cope with their skills in future.

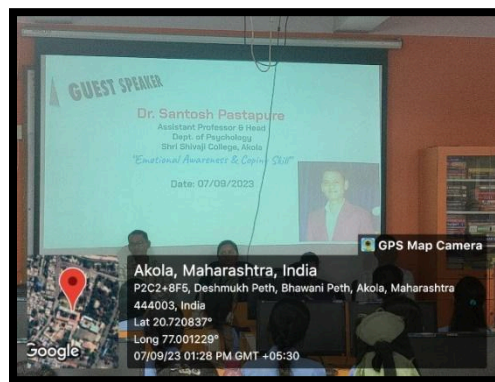

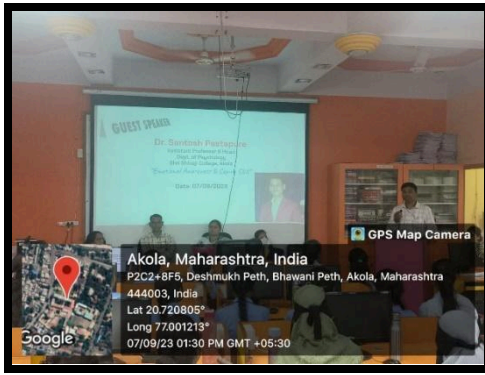

Details Of the Programme:

The chairperson of the program was Ms. R. S. Kale Madam, HOD Department of Computer Science. The resource person for the program was Dr. Santosh Pastapure, Assistant professor, Department of Psychology, Shri Shivaji College of Arts, Commerce & Science, Akola. Ms. R. S. Kale Madam welcomed the guest and introduced the speaker. The resource person talked about following topics:

- Understand what you need and want
- Build better relationships.
- Talk about feelings more clearly.
- Avoid or resolve conflicts better.
- Move past difficult feelings more easily.

After the lecture HOD madam presented the token of appreciation. The vote of thanks was given by Dr. S. M. Chavan sir. The program was conducted by Vaishnavi Kakade. Total number of students attending the guest lecture was 92 (UG and PG both).

Guest Lecture on “Project Guidance”

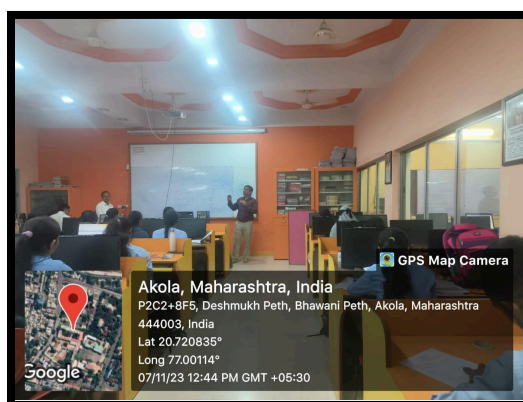

Date: 7th November 2023

Venue: PG Lab,

Guest lecture on “Project Guidance” M. Sc. Students of Computer Science was conducted on 7th November 2023 at PG Lab of the Department of Computer Science. The purpose of this lecture was to guide students about their projects and recent trends.

Details Of the Programme:

The resource person for the program was Mr. Vinod Pande, Director, Yasham Academy, Akola. Sir started his session with recent trends in computer science. He further guided students about the analysing, designing and implementing the project. Also guided students about execution of projects and the preparation of final report. He also taught them about the presentation of the project. After the lecture HOD madam presented the token of appreciation. The vote of thanks was given by Shreya Ramrohiya. The program was conducted by Vaishnavi Kakade. Total number of students attending the guest lecture was 20 (PG only).

Guest Lecture on “Cloud Computing and Career Guidance”

Date: 12th February 2024

Venue: PG Lab

Guest lecture on “Cloud Computing and Career Guidance” for B. Sc. and M. Sc. Students of Computer Science was conducted on 12th February 2024 at PG Lab of the Department of Computer Science. The purpose of this lecture was to introduce the students to cloud computing and Career in IT field.

Details Of the Programme:

The resource person for the program was Mr. Vinod Pande, Director of Yasham Academy and Ashutosh Kagliwal, Team Leader TCS, Mumbai. The function starts with welcoming guests. Ms. Mayuri Gudade Madam welcomes Ms. R. S. Kale, Head Department of Computer Science. Ms. R. S. Kale Madam welcomed Mr. Vinod Pande Sir, then Dr. S. M. Chavan Sir welcomed Mr. Ashutosh Kagliwal Sir. Mrs. A. B. Dube Madam was felicitated by HOD madam for securing first rank in oral paper presentation in national conference held at Vidyabharti Mahavidyalaya, Amravati. The event was handed to the resource person to continue. First Mr. Vinod Pande Sir introduced Mr. Ashutosh Kagliwal Sir.

In the First Session Ashutosh Kagaliwal Sir discussed all aspects of cloud computing.

In the second session Mr. Vinod Pande Sir guided students about Career in IT field. After the lecture HOD madam presented the token of appreciation. The vote of thanks was given by Komal Pimpalkar (student of M. Sc. II Year). The program was conducted by Vaishnavi Kakade (student of M. Sc. I Year). Total number of students attending the guest lecture was 74 (UG and PG both).

Communication skills and resume building Program Report

Date: 22th feb 2024

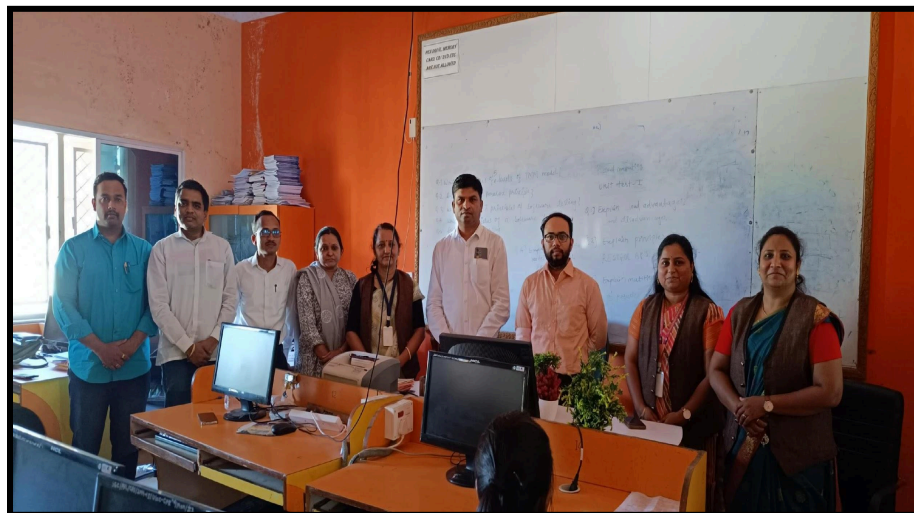

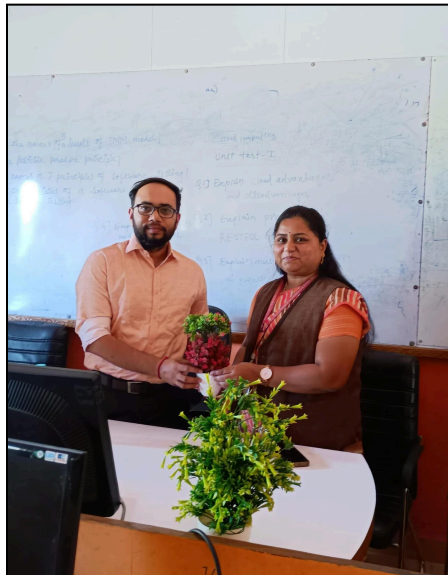

Venu: Department of computer science

Communication skills and resume building Program for the M. Sc. First & M.Sc second year students of computer science was conducted on 21th feb 2024 at “Department of computer science”. The purpose of this program is to know The Importance of Developing Communication Skills for Career Success

Details Of The Programme:

The program was started at 1:00 PM At Department of Computer science by the hands of respected R. S. Kale Mam our HOD of computer science department .Also another chief guest was present which increased the importance of the program. Guests like our Prof. Anita Dube Mam, Dr. S. M. Chavhan, Prof. Mayuri Gudade, Mr. A. D. Bhilkar, Dr. A. A. Patokar, Mr. A. S. Jadhao, Ms. P. R. Shulka, Mrs. K. S. Takarani, Ms. S. R. Padiye.

After that we welcome our chief guest respected Mr.Rishikesh Unhale Founder & Director of Eduease softech Pvt Ltd and Faculty was done by giving flowers.

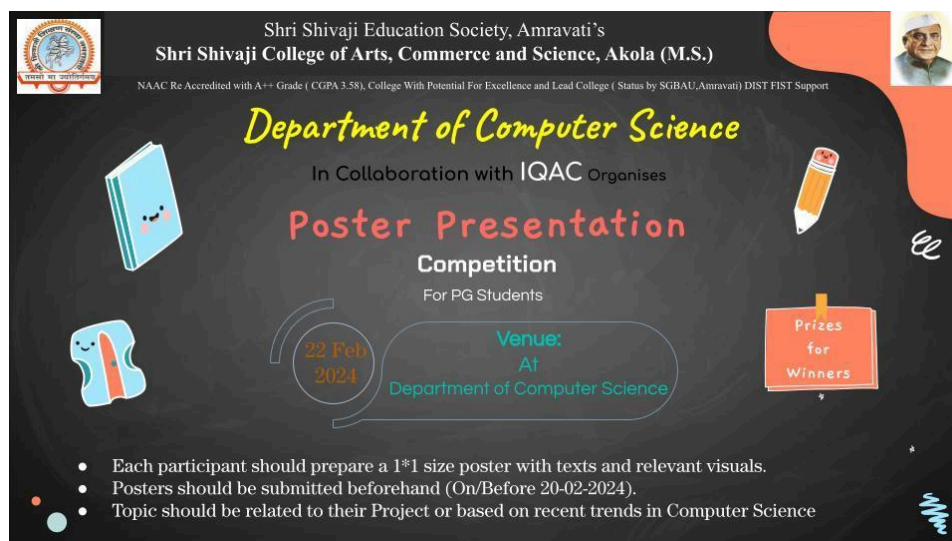

After a While we request our HOD madam to motivate us on the occasion. That was the wonderful speech given by HOD Mam.

Then we carried out the important part of the program that was we learned during the program on communication skills and resume building. We discovered the importance of effective verbal and nonverbal communication, such as active listening and body language. We also explored strategies for crafting a compelling resume, including showcasing our achievements and tailoring it to specific job opportunities. Overall, it was an enlightening experience that will undoubtedly enhance our professional prospects.

Poster Presentation Competition

Date: February 22, 2024,

Objective and Overview:

The Poster Presentation Competition held at the Department of Computer Science on February 22, 2024, aimed to provide a platform for students to showcase their research, projects, and understanding of recent trends in Computer Science. Under the efficient organization of Ms. Mayuri R. Gudade, the event witnessed active participation with 20 well-prepared posters.

Poster Submission and Preparation:

Participants demonstrated their commitment and enthusiasm by submitting their 2x3 size posters on or before February 20, 2024. Each poster was a carefully crafted amalgamation of text and visuals, offering insights into the participants' projects or exploring current trends in Computer Science. The proactive poster submission process allowed for a smooth and efficient organization of the event.

The competition was graced by the expertise of two distinguished judges:

Dr. Niteen Mohod (Department of Electronics)

Dr. Milind Belkhedkar (Department of Physics)

These judges brought diverse perspectives to the evaluation process, ensuring a comprehensive assessment of the participants' work.

Topics and Themes:

The participants' choice of topics reflected the dynamic nature of Computer Science. Themes ranged from project-specific presentations to explorations of the latest trends shaping the field. This diversity showcased the breadth of knowledge and interests within the Department.

Evaluation Criteria:

The judges assessed each poster based on criteria such as clarity of presentation, relevance of visuals, depth of content, and the ability to effectively communicate the essence of the project or trend. The rigorous evaluation process aimed to recognize both the creativity and academic rigor of the participants.

Participant Engagement:

The competition served as a valuable platform for participants to engage with their peers, faculty, and the broader academic community. It promoted healthy discussions and knowledge sharing, fostering an environment of collaborative learning within the Department.

Winners and Recognition:

While every participant contributed significantly, the judges identified standout posters based on the established criteria. The winners will be felicitated in a subsequent ceremony, acknowledging their exceptional efforts and contribution to the field of Computer Science.

Conclusion:

The Poster Presentation Competition at the Department of Computer Science proved to be a successful and enriching event. It not only highlighted the academic achievements of the participants but also provided a glimpse into the vibrant and evolving landscape of Computer Science. The competition, with its well-organized structure and eminent judges, stands as a testament to the commitment of both students and faculty to promoting academic excellence and innovation within the department.

Bit By Bit Coding Competition 2.0

Date: February 24, 2024,

Competition Overview:

The Bit By Bit Coding Competition 2.0, organized by the Department of Computer Science, brought together 39 enthusiastic participants eager to showcase their coding prowess. Under the efficient guidance of the Organizing Secretary, Ms. Mayuri R. Gudade, the competition aimed to foster a spirit of healthy competition and promote coding skills among the participants.

Event Details:

The main objectives of the competition include:

- 1) **Skill Development:** Foster the development and enhancement of coding skills among participants. The competition aimed to challenge participants at various levels, encouraging them to improve their problem-solving abilities, algorithmic thinking, and coding proficiency.
- 2) **Promoting Healthy Competition:** Create a competitive yet supportive environment that encourages healthy competition among participants. The structure of the competition, with multiple rounds including MCQs, practical coding challenges, and a speed coding round, aimed to test participants' abilities in different dimensions.
- 3) **Integration of Theory and Practice:** Bridge the gap between theoretical knowledge and practical application. The competition featured a combination of MCQs to assess theoretical understanding and coding challenges to evaluate participants' practical coding skills, ensuring a holistic assessment.
- 4) **Time Management Skills:** Test and enhance participants' time management skills by incorporating rounds that require quick thinking and efficient coding within specified

time constraints. This aspect aimed to simulate real-world scenarios where time is often a critical factor in coding projects.

- 5) **Encouraging Excellence:** Recognize and felicitate the top performers on a national platform. This not only serves as an acknowledgment of their coding excellence but also motivates participants to strive for academic and professional excellence.
- **Date and Venue:** **On February 24, 2024**, the coding competition took place at the Department of Computer Science, creating a conducive environment for participants to engage in the challenges. The event added an academic flair, encouraging the integration of coding skills into the curriculum.
- **Competition Format:** Participants engaged in a challenging coding environment, showcasing their problem-solving abilities. The competition was structured to test not only coding proficiency but also critical thinking, algorithmic design, and time management skills.

There were 3 rounds in competition

Round 1: MCQ Challenge

The competition kicked off with an engaging Multiple-Choice Question (MCQ) round, testing participants' theoretical knowledge and understanding of fundamental coding concepts. This round aimed to filter out participants based on their grasp of essential programming principles, ensuring that only the most knowledgeable contestants advanced to the subsequent rounds.

Round 2: Speed Coding Challenge

The second round brought participants face-to-face with the practical aspect of working with PPT presentation, Word Formatting and working with Excel Sheet—the Speed Coding Challenge. In this round, participants were tasked with creating the most efficient and fastest code to solve a given problem. This challenge not only assessed participants' creative skills but also their ability to optimize solutions under time constraints. The round emphasized not just correctness but efficiency in implementation.

Round 3: Fastest Fingers Code

The final and most thrilling round, "Fastest Fingers Code," put participants to the ultimate test of coding speed. In this round, participants were presented with complex problems that required quick thinking and rapid implementation. The round's intensity was heightened as participants raced against the clock to produce correct and efficient solutions. The competitive environment added an adrenaline rush, showcasing not only coding proficiency but also the ability to perform under pressure.

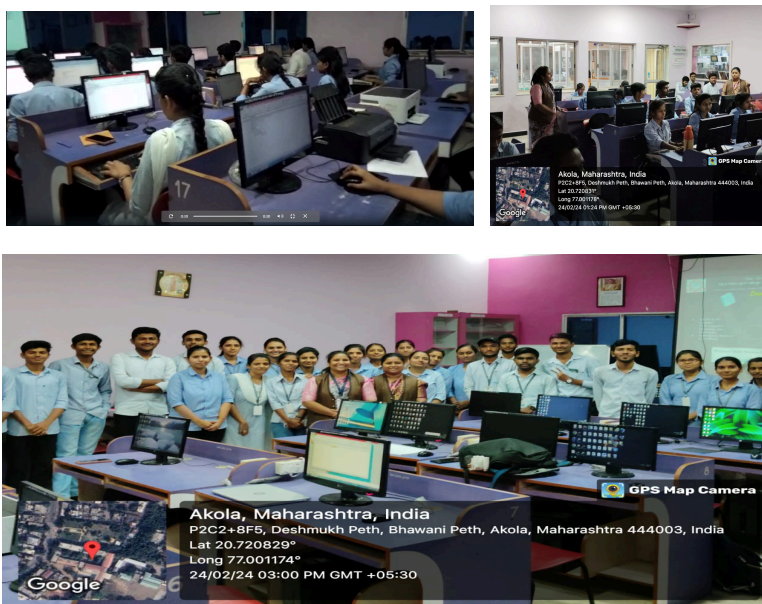

- **National Science Day Felicitation:** The winners of the competition are set to be honored on National Science Day, creating an additional layer of prestige to the event. Being recognized on a national platform by the Principal adds a significant sense of achievement and motivates participants to strive for excellence.

Winners and Recognition:

- **Top Performers:** The competition witnessed exceptional talent, with a diverse range of participants showcasing their coding skills. The top performers demonstrated a keen understanding of coding principles and the ability to tackle complex problems.
- **Felicitations Ceremony:** The felicitation of winners on National Science Day by the Principal adds a ceremonial touch to the event. This recognition not only acknowledges the winners but also emphasizes the importance of coding skills in the broader context of science and technology.
- **Digital Recognition through E-Certificates:** Embrace modern practices by providing participants with E-Certificates. This not only acknowledges their participation but also facilitates easy sharing and documentation, contributing to their digital portfolios and professional profiles.

Conclusion: A Multi-faceted Coding Extravaganza

The Bit By Bit Coding Competition 2.0 proved to be a success, promoting coding excellence and fostering a culture of healthy competition. The active participation of 39 individuals and the impending recognition on National Science Day reflect the growing importance of coding skills in the academic and professional spheres. As the competition concludes, it leaves behind a legacy of skill development and inspires future editions to continue nurturing the coding talents within the academic community.

Report on Felicitation Program

Date: 1th March 2024

Venu: Department of Computer Science,

Felicitation program for the UG and PG students of computer science was conducted on 1th March 2024 at “Department Of Computer Science”. The purpose of this program was to acknowledge and honor the students for their outstanding performance in the Bit by Bit Competition, Poster Presentation Competition and Quiz Competition which are held on the occasion of National Science Day. Also there is a guest lecture on Career Guidance by Mr. Bhupendra Jogi Sir.

Details Of The Program:

The Felicitation Program starts at 1:00 PM At Department Of Computer Science by welcoming the respected principal sir Dr. A. L. Kulat, Dr. A. Shende Sir and Prof. Bhupendra Jogi sir . The presence of R. S. Kale Mam our HOD of computer science department, Prof. Anita Dube Mam, Dr. S. M. Chavhan, Prof. Mayuri Gudade, Mr. A. D. Bhilkar, Dr. A. A. Patokar, Mr. A. S. Jadhao, Ms. P. R. Shulka, Ms. S. R. Padiye increases the importance of the program. The welcome was done by giving bouquets of flowers to the honorable guests.

Then we carried out the important part of the program that was felicitation of winners. The winners name announced by

Miss M. R. Gudade Mam . Mementos, Prizes and certificates were distributed to the winners and all the participants by the honorable Chief Guest.

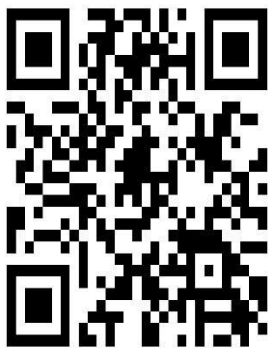

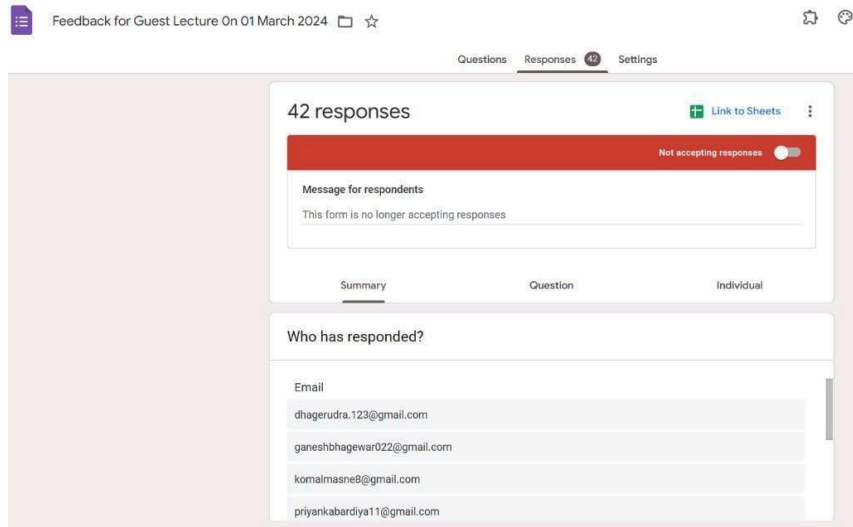

The honorable principal Dr.A.L.Kulat sir congratulates the winners and motivates the students by delivering inspiring speech.

After the felicitation program, Guest Lecture was conducted by the department of Computer science from 02.00 am to 04.00 pm. Chief guest and speaker Mr. Bhupendra Jogi sir has taken a lecture on the topic “ Career Guidance ” for all UG and PG students.

The speaker explains various ideas and tips to guide the students to obtain a good job. It served as the eye-opening session for the students. He also taught the students about developing themselves technically and approaching them for a new job. Finally, he cleared the queries of our students.

The guest lecture was interactive and focused on self development and career skills. We received positive feedback from students. 42 students have responded to the feedback link.

Finally , the program ended with a vote of thanks proposed by miss. Gayatri Tathod.

In conclusion, a student felicitation ceremony is an important event that celebrates the achievements of students and inspires them to aim for greater heights in their academic and personal pursuits.

Introduction

The guest lecture on **Logic Building with Java** held on **4th March 2024** was aimed at helping students enhance their understanding of programming concepts through the Java programming

language. Java is one of the most widely used languages globally, and mastering it can provide a strong foundation for problem-solving and understanding core programming concepts. The lecture, conducted by **Mr. Sanjay Jadhao**, an experienced Assistant Professor at Adarsh College, Akola, was a highly informative session for all attendees, especially those looking to improve their programming proficiency.

Objective of the Lecture

The primary objectives of the lecture were:

1. To strengthen students' problem-solving abilities through logical thinking and programming.
2. To provide an introduction to fundamental concepts of Java, focusing on its role in developing efficient and effective solutions to real-world problems.
3. To help students understand the key aspects of logic building, such as algorithms, data structures, and flow control in Java.
4. To provide practical insights and tips for approaching programming challenges systematically.

Lecture Content

Mr. Sanjay Jadhao started the session by emphasizing the importance of **logical thinking** in programming. He explained how **Java**, being a versatile and widely used programming language, is an excellent tool for developing problem-solving skills. The following topics were covered in the lecture:

1. **Introduction to Java Programming:**
 - Overview of Java and its applications in various industries.
 - Explanation of basic Java syntax, data types, and operators.
2. **Building Logic in Java:**
 - How to approach problems by breaking them into smaller, manageable parts.
 - Understanding the flow of control in Java using loops, conditionals, and functions.
3. **Core Java Concepts:**
 - Key programming concepts such as arrays, collections, and object-oriented programming principles.
 - Introduction to classes, objects, inheritance, polymorphism, and abstraction.
4. **Problem-Solving Techniques:**
 - How to structure algorithms for efficient solutions.
 - Tips on debugging and testing code to ensure correctness.
5. **Practical Examples:**
 - Hands-on examples demonstrating logic building through Java programming.
 - Interactive coding exercises where students could apply their understanding of the concepts discussed.

Key Takeaways

The lecture provided several key takeaways for the students:

- **Understanding Java's Core Concepts:** Students gained a deeper understanding of the foundational aspects of Java, including its syntax and structure.
- **Improved Problem-Solving Skills:** Through examples and exercises, students learned how to approach problems logically and break them down into simpler steps.
- **Algorithmic Thinking:** The session focused on building algorithms to solve real-world problems effectively, which is crucial for software development.
- **Practical Experience:** The interactive coding examples allowed students to apply what they learned immediately, reinforcing their understanding.

Impact and Importance

The guest lecture was a valuable session for students, particularly those interested in pursuing a career in software development or computer science. Java, with its extensive use in the software industry, offers students an opportunity to build a solid foundation in programming. Mastering Java can open doors to a wide range of career opportunities in areas such as web development, mobile applications, and enterprise-level systems.

The session also emphasized the importance of **logical thinking**, which is essential not only for programming but for all aspects of problem-solving in daily life and professional environments. By understanding how to approach a problem systematically, students can develop the skills needed to tackle increasingly complex challenges.

Conclusion

The guest lecture on **Logic Building with Java** by **Mr. Sanjay Jadhao** was a highly beneficial and informative session for all attendees. It provided students with the tools and techniques necessary to build logical thinking and develop strong programming skills using Java. By gaining a deeper understanding of core concepts and algorithms, students are now better equipped to pursue more advanced topics and enhance their problem-solving abilities. Such sessions are an excellent way to bridge the gap between theoretical knowledge and practical application, ensuring students are well-prepared for the challenges of the tech industry.

Industrial visit Report

09th March 2024 to 14th March 2024.

An **industrial visit** to **Hyderabad** was organized for the **PG students of Computer Science** from **09th March 2024 to 14th March 2024**. The primary objective of this visit was to provide students with hands-on exposure to the **IT industry** and give them an opportunity to observe how academic knowledge is applied in real-world scenarios. Hyderabad, known as the "**Cyberabad**", is a major IT hub in India, housing many global technology companies, startups, and research institutions. This visit offered students a perfect blend of academic learning, industry exposure, and cultural enrichment.

Objectives of the Visit

The key objectives of the industrial visit were:

1. To give students practical insights into the operations of leading tech companies and research organizations.
2. To help students understand the practical application of computer science concepts in the IT industry.
3. To expose students to the innovative technological advancements taking place in Hyderabad.
4. To provide a balanced experience by incorporating both educational and recreational activities, fostering holistic development.

Details of the Visit

Day 1: Arrival and Introduction to Hyderabad

The visit began with the arrival of the students and accompanying faculty members in Hyderabad on 09th March 2024. After settling in, the students were given an orientation session about the city's significance as an IT hub and its role in shaping the Indian tech industry. The first evening was dedicated to exploring the local culture and initial sightseeing.

Day 2-4: Industrial and Educational Visits

During the next few days, the students visited several prominent locations that showcased the dynamic and innovative environment of Hyderabad's IT ecosystem:

1. **National Remote Sensing Centre (NRSC):**
 - The students were introduced to the work being done in satellite technology and remote sensing. The NRSC is a center of excellence in India for space applications and provides valuable insights into how technology and computer science are used in earth observation and satellite data processing.
2. **IT Industry Visits:**
 - The students visited various renowned IT companies and startups in the city, such as **Microsoft, Google, and TCS**, where they had the opportunity to observe the

practical applications of software development, data analytics, cloud computing, and AI/ML technologies. Discussions with industry experts helped students understand the current trends and challenges faced by the IT sector.

3. **Research Institutions:**

- The visit to institutions like **IIT-Hyderabad (International Institute of Information Technology)** gave students exposure to cutting-edge research in areas such as machine learning, data science, and IoT (Internet of Things). They had the opportunity to interact with professors and researchers, discussing the future of technology and its impact on society.

Day 5: Cultural and Recreational Exploration

While the primary focus of the visit was industrial exposure, students also enjoyed cultural and recreational activities, which enriched their overall experience:

1. **Salar Jung Museum:**

- The students explored the Salar Jung Museum, home to a vast collection of artifacts, sculptures, and paintings from various parts of the world, showcasing Hyderabad's rich history and cultural diversity.

2. **Chowmahalla Palace:**

- The visit to Chowmahalla Palace, the seat of the Nizams of Hyderabad, allowed students to delve into the royal history and architectural grandeur of the city.

3. **Nehru Zoological Park:**

- Students visited the Nehru Zoological Park, which offered a chance to observe wildlife conservation efforts and understand the importance of preserving biodiversity.

4. **Lumbini Park and Hussain Sagar Lake:**

- Students enjoyed some relaxing time at Lumbini Park, located near Hussain Sagar Lake, offering scenic views and recreational activities.

5. **Secretariat and Local Markets:**

- The visit included a tour of the **Secretariat** and some local markets, giving students a chance to experience the vibrant civic life and bustling atmosphere of Hyderabad.

Key Takeaways from the Visit

1. **Real-World Exposure:**

- The visit provided students with direct exposure to cutting-edge technology, demonstrating how academic concepts are implemented in the real world. Interactions with professionals in the IT industry broadened their understanding of the industry's functioning.

2. **Learning from Industry Leaders:**

- The students gained valuable insights into the latest technological trends, including AI, cloud computing, and data science, by visiting renowned tech companies and research institutions.

3. **Innovation and Research:**

- The exposure to research institutions like IIIT-Hyderabad highlighted the importance of innovation and research in driving the future of technology. Students were inspired to pursue higher studies and research in computer science fields.

4. Cultural and Historical Awareness:

- The recreational activities provided students with a deeper understanding of the cultural and historical heritage of Hyderabad, enhancing their overall experience and broadening their perspectives.

Conclusion

The **industrial visit to Hyderabad** was an incredibly enriching experience for the **PG students of Computer Science**. The trip successfully blended academic learning with cultural exploration, giving students a holistic view of the IT industry's impact on society. By visiting leading tech companies, research institutions, and historical sites, students gained valuable insights that will aid them in their academic and professional careers. This visit not only reinforced theoretical concepts but also motivated students to stay updated on industry trends and foster a curiosity-driven approach to technology.

The success of this visit emphasizes the importance of exposing students to real-world industry environments and diverse cultural experiences as part of their overall educational journey.

Students actively and enthusiastically participated in the Robothon competition organized by SGBAU, Amravati. In this competition, students presented innovative and new projects by utilizing their skills in various fields of technology. The Robothon provided an excellent platform for students to showcase their coding, problem-solving abilities, and teamwork skills. Through this competition, students explored new technological solutions and worked towards addressing challenges across various domains.

PG students and teachers participated in and presented research papers at an international conference held in Balshitakli. They showcased their research work in various academic and technical fields, contributing valuable insights to the scientific community.

PG students and teachers participated in and presented research papers at the national conference organized by Shri Shivaji College, Amravati. They shared their research findings on various academic and technical topics, contributing to the broader knowledge exchange.

Dept of Microbiology

REPORT OF GUEST LECTURE

ON

How to become a Book Writer

Topic : How to become a Book Writer

Time : 3.00pm

Venue : ICT Hall, Dept of Microbiology

Speaker : Mr. Rajesh Dhakane, Asst. Prof. Dept of Microbiology, J.S. College of Commerce & Science, Hadapsar, Pune

Objective : To provide information to the students about book writing, tools & techniques used

The Guest Lecture on How to become a Book Writer was organised by Dept of Microbiology, Shri Shivaji College, Akola for M.Sc. I & M.Sc. II students.. To provide information to the students about about book writing, tools & techniques used, this Guest Lecture was arranged. The Lecture was organised on 2nd September, 2023 at 3.00 pm. in ICT Hall. Total 41 students of PG classes had attend the Guest Lecture. The anchoring of the programme was done by Dr. Monika S. Thakare. Dr. S. N. Zodpe, Head, Dept of Microbiology were present. Similarly teaching faculties of the Dept, Dr. D. L. Barate, Dr. M. S. Thakare, Ms .I. D. Mankar, Ms. A.D. Vaidya & Ms. S.V. Narwade, Ms. S.M. Pandey. Ms. P.R. Dighade & Ms. Sufiya Areeb was present. The invited speaker for the Guest Lecture was Hon'ble Mr. Rajesh Dhakane, Asst. Prof. Dept of Microbiology, J.S. College of Commerce & Science, Hadapsar, Pune

The programme was started with the Light Lampning and then Floral wel come of the dignitaries present Mr. Rajesh Dhakane has nicely delivered the

information regarding the various branches of Microbiology, role of Microbiologists & inculcate the knowledge about Book writing to create awareness about Microbiology .They talk on need of Book writing.They focused on different softwares used for spell chek, Plagarism Check,also interact with PG students & solve the related queries of the students.

At the end Dr. Monika S. Thakare had proposed Vote of thanks for the Guest Lecture.

Activity Report

Poster Competition

Name of the Activity	Poster Competition for B.Sc. Students
Date & Time	20/02/2024
Beneficiary	B.Sc. and M.Sc. students
Objective of the activity	<ul style="list-style-type: none">• To help students improve the mathematical understanding of his environment.• To help students correlate mathematics to life and various fields of science such as physics, chemistry technology and economics• To enhance the knowledge of the students.

Department of Mathematics organized poster competition on the occasion of National Science Day on 20th February, 2024 for B.Sc. students. The poster competition in Mathematics had been conducted to help students improve the mathematical understanding of his environment. The main objective is to help students correlate mathematics to life and various fields of science such as physics, chemistry technology and economics. The theme of the competition was "Application of Mathematics in various disciplines"

Teaching faculties of the department Resp. M. T. Sarode, Head of the Department, Mr. C. C. Hire, Mr. R. G. Mangle, Mr. P. P. Kale, Ms. N. M. Kulat, Ms. P. V. Bathe, Mr. V. D. Shinde and Ms. P. A. Bondre were present in the competition. The programme was started with floral welcome of the jugdes present. Introductory speech was given by Ms. M. T. Sarode. Nearly 16 students participated from UG who showcased their artistic skills and conveyed powerful messages through their posters. HOD's from all departments, teaching staff wholeheartedly encouraged the efforts of students in preparing the poster and provided valuable feedback. Resp. Dr. M. T. Sangole, Department of Chemistry and Resp. Ms. A. B. Dube, Department of computer science, were the judges of this competition who diligently evaluated the competition. They listened to all the poster presentations and encouraged the students for doing wonderful work.

This poster competition helped students to focus on extending the mathematical skills by exhibiting the effective posters and presenting the various applications of all disciplines. Also, it gives a chance to students have better way of

understanding or interpreting information.

The following students are the winners for the poster competition.

Prize winners:

First Prize	: Ms. Nayna Parsaiyya	B.Sc. III
Second Prize	: Ms. Kalyani Gawande	B.Sc. III
Third Prize	: 1. Ms. Pranali Sonekar 2. Ms. Gauri Gade	B.Sc. I B.Sc. I
Consolation Prize	: Ms. Ushna Zohand	B. Sc. I

Activity Report

Quiz Competition

Name of the Activity	Quiz Competition for B.Sc. and M.Sc. Students
Date & Time	21/02/2024
Beneficiary	B.Sc. and M.Sc. students
Venue	AV Hall
Objective of the activity	<ul style="list-style-type: none">• To enrich the knowledge and curiosity of the students• To enhance the inquisitiveness of the students thereby building confidence.• To boost confidence amongst the students.
President And Chief Guest	<ul style="list-style-type: none">• Dr. A. L. Kulat , Principal• Dr. S. G. Shende, Head of science faculty

Department of Mathematics organized quiz competition on the occasion of National Science Day on 21st February, 2024 for B.Sc. and M.Sc. students. The quiz competition in Mathematics had been conducted to enrich the knowledge and curiosity of the students. The main objective of the programme was to encourage critical thinking amongst the students and boost their confidence.

The programme was started with floral welcome of the dignitaries present. The President of the programme was Hon. Dr. A. L. Kulat, Principal and the chief guest of the program was Resp. Dr. S. G. Shende, Head of science faculty. Similarly teaching faculties of the department Resp. M. T. Sarode, Head of the Dept., Mr. C. C. Hire, Mr. R. G. Mangle, Mr. P. P. Kale, Ms. N. M. Kulat, Ms. P. V. Bathe, Mr. V. D. Shinde and Ms. P. A. Bondre were present. Quiz competition was organised in AV hall at 11am. Introductory speech was given by Ms. M. T. Sarode, Head, Dept. of Mathematics. The quiz comprised of 4 rounds: pure maths, problem solving, mental ability and buzzer round. Three groups: alpha, beta and gamma were formed each comprising of three team members from UG. Resp. Ms. M. T. Sarode and Mr. V. D. Shinde were the judges of the quiz who diligently evaluated the quiz. Team alpha won the quiz by 15 marks. Team beta and gamma

were on second and third position respectively. Certificates and prizes were distributed to the position holders by the distinguished guests.

Dr. S. G. Shende addressed and encouraged the participants with his inspiring words. Finally Presidential address was delivered by Hon. Principal Dr. A. L. Kulat. The anchoring of the programme was done by Ms. Neha Kulat & the program was concluded by vote of thanks by B.Sc. III student, Ms. Kalyani Gawande. Following is the list of participants in the competition.

Group Name	Name of Participants	Class
Alpha	Ms. Jae S. Vinchurkar	B.Sc. I
	Ms. Harshal S. Patinge	B.Sc. II
	Ms. Mehwash F. Shah	B.Sc. III
Beta	Ms. Pratiksha S. Ingle	B.Sc. I
	Mr. Rushikesh S. Bagade	B.Sc. II
	Mr. Mohd. Maaz Mohd. Niyaz	B.Sc. III
Gamma	Mr. Aniket D. Waghole	B.Sc. I
	Ms. Sanyukta D. Shingote	B.Sc. II
	Ms. Vaishnavi H. Pathare	B.Sc. III

This quiz helped the students in identifying their capabilities and motivated them to learn and expand their knowledge. It enhanced the inquisitiveness of the students thereby building confidence and learning at the same time. Everyone enjoyed being the part of this intriguing event.

Dept of Microbiology

REPORT

ON

**Inauguration of
MICROBIOLOGY STUDENT UNIT,
*Exhibition cum Workshop on
Wonderful World of Microbiology***

The wonder of our life is somewhere embedded in small things. Microbiology is unseen, incredible, tiny world of microbes. The organisms which we can't see our naked eyes, they have a beautiful World of their own. Creative technique is the Art of this subject. So to make Awareness among the students of different stream, the exhibition cum Workshop is organised. Microbiology is not onla a subjest but is Fine Art & talent too.

Every year Dept of Microbiology has formed student Unit in collaboration with Microbiologists Society of India. MBSI is one of the leading Society which works for betterment of Society, Students, Industrialists & Academicians through Organising various Conferences, Workshops, Webinars, Seminars & Virtual Lectures. The society also sponsored various Awards in different fields to motivate the students & to built their confidence.

This year the inauguration of MBSI Student unit was graced by the Kind presence of Chairperson & President of the programme Hon'ble Dr.A.L.Kulat Sir, Principal, Shri. Shivaji College, Akola, Chief Guest & Inaugurator was Hon'ble Dr. P.S.Kokate Professor & Head, Dept of Botany, Guest of Honor Hon'ble Dr. S.G. Shende , Incharge, Science Faculty , Hon'ble Dr. A. S. Raut, IQAC Coordinator, Dr. S. N. Zodpe, Head, Dept of Microbiology were present. The Student Unit Inauguration was organised on 16th of September, 2023 at 1.30 pm. in Commerce A.V.Hall. The anchoring of the programme was done by Dr.D.L.Barate. Similarly teaching faculties of the Dept, Dr. D. L. Barate, Dr. M. S. Thakare, , Ms.P. R. Dighade, Ms.Sufiya Areeb, Ms .I. D.Mankar, Ms. A. D. Vaidya & Ms. S.V. Narwade was present. All the UG & PG students were present for the Inaugural function.

The programme was started with the Light Lampning and then Floral wel come of the dignitaries present. Introductory speech was given by Dr. S.N. Zodpe, Head, Dept of Microbiology. Madam has mainly focused on Departmental Development, achievements of the students & various activities run by the Department as well as she focused on Wonderful World of Microbiology.

On Occasion of Microbiology Student unit inauguration Exhibition cum Workshop was also organised on Wonderful World of Microbiology. Students of B.Sc.II & P.G.Students had actively participated. B.Sc.II students had prepared Posters on various aspects of Microbiology, Whereas PG IInd year students had participated in Agar Art & Culture Technique. PG Ist year students had prepared for Laser Technique and related test in Microbiology.

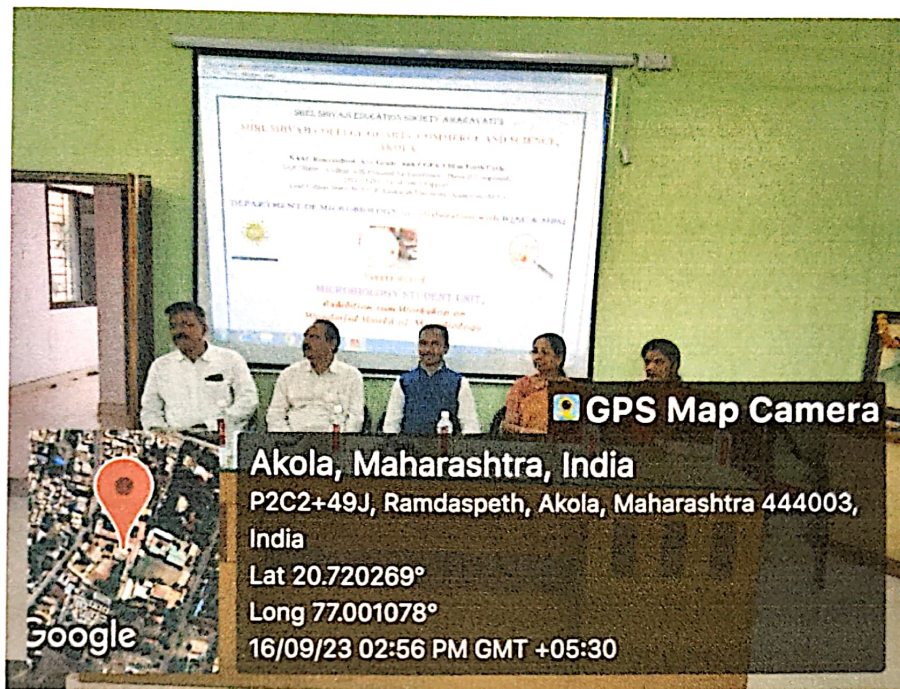

Introduction of Guest was given by Dr.D.L.Barate.. Dr. D.L.Barate had declared the Committee Members name of student unit & also highlight the achievements of the students. In this event Dr. S.N. Zodpe & Dr.D.L.Barate were falicitated as Author of Book Chapter, Ms.P. R. Dighade, Ms.Sufiya Areeb (Alumni) were also falicitated for qualifying SET Examination. Winner of Rangoli Competition was awarded with Prizes & B.Sc. III students were falicitated for securing IInd Rank in Pathnatya on HIV AIDS Awareness. Event was highly appreciated by the Hon'ble dignitaries. They had visited the Exhibition

Inaugural speech was delivered by Hon'ble Dr. P.S.Kokate. similarly Hon'ble Dr. S.G. Shende & Hon'ble Dr. A. S. Raut addressed the students. Presedential Addressed was delivered by Hon'ble Dr.A.L.Kulat Sir & vote of thanks was proposed by Dr.D.L.Barate

REPORT

ON

One Day Workshop on Career Crafting & MoU

Topic : One Day Workshop on Career Crafting

Time : 11.00am

Venue : Vasant Auditorium

Date & Time : 29th January, 2024 at 11.30am

Objective : To choose right path by the students for their Career

Career-level task crafting is defined as the extent to which individuals develop skills to achieve their best selves during their careers; career-level relational crafting is defined as the extent to which individuals actively seek out and connect with a group of people with whom they can share genuine interests

- Decide What You Want to Change by Crafting Your Job
- Evaluate How Crafting Your Job Will Impact You and Your Environment. ...
- Act to Put Positive Job Crafting Change in Place. ...
- Check on Your Job Crafting Progress, Adjust and Continue

The Career Crafting Workshop was organised by Dept of Microbiology & IQAC and was graced by the Kind presence of Chairperson & President of the programme Hon'ble Dr.A.L.Kulat Sir, Principal, Shri. Shivaji College, Akola, Chief Guest and Resource Person was Hon'ble Dr. Ashish Polkade, International Zero Waste Expert & Hon'ble Suraj Bhagat Founder, Rising India, Hon'ble Dr. S.G. Shende , Incharge, Science Faculty , Hon'ble Dr. A. S. Raut, IQAC Coordinator, Dr. S. N. Zodpe, Head, Dept of Microbiology were present. The One Day Workshop on Career Crafting was organised on 29th of January, 2024 at 11.30 am.at Vasant Auditorium. The programme was hosted by

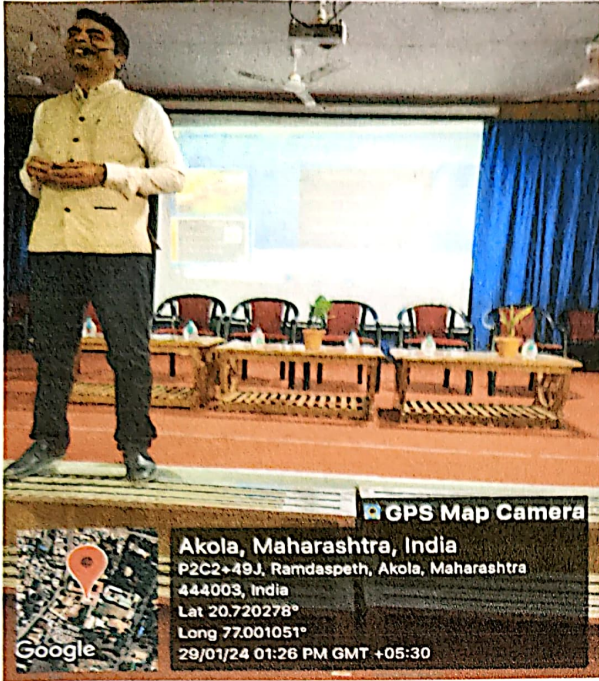

Dr.R.S.Kale,Head, Dept of Computer Science.. Total 60 students of UG & PG students were present for the Workshop.

The programme was started with the Light Lampning and then Floral wel come of the dignitaries present. Introductory speech was given by Dr. S.N. Zodpe, Head, Dept of Microbiology. Madam has mainly focused on Career Opportunities & about Bharat Eco Solutions & Technologies.

Dr. Ashish Polkade sir focus on Agriculture Waste Management, Biogas Technology & Eco friendly solutions in waste management. Whereas Activity based session related to shaping the career was conducted by Mr.Suraj Bhagat sir. Both the sessions were interactive & was very beneficial from student point of view. The MoU was also signed between Shri.Shivaji College of Arts,Commerce & Science,Akola and Bharat Eco Solutions & Technologies. The aim of MoU is for the internship,FDP for Faculties & Students,career opportunities for the students

Presidential Addressed was delivered by Hon'ble Dr.A.L.Kulat Sir & vote of thanks was proposed by Mayuri Gudadhe, Dept of Computer Science.

DEPARTMENT OF BOTANY

Report of

Celebration of World Wetland Day

2nd February 2023

State Level Competitions

Seminar Presentation

Poster Presentation

World Wetland Day- 2024

Department of Botany, Shri Shivaji College of Arts, Commerce and Science, Akola used to celebrate World Wetland Day every year. This year also department has organized State level events for the students of UG and PG life science subjects such as a seminar presentation and Poster presentation, on 2nd February 2024.

Objectives:

1. To spread awareness about the importance of wetland and their conservation
2. To provide a common platform to students to present their ideas and boost their morale.

Registration Fee:
UG students: Rs. 150 per student
PG students: Rs. 200 per student
The Registration fee includes Registration kit, Tea, Lunch and High tea

Important Notes:
The theme of World Wetland Day- 2024 is

Wetlands and Human Wellbeing

- Each Department / College can send two students per competition in each category
- Students presentation/ Creation must justify the central theme of World Wetland Day- 2024 i.e. Wetlands for Human Wellbeing.
- For Poster competition of both UG and PG students – poster size must be 1.00 X 1.00 M. (Hand made and paper print posters will be encouraged)
- For seminar presentation, 10 M will be given to each participant (7 m for presentation and 03 M for discussion)
- First two selections from each category will be awarded with cash prize, trophy and certificate
- All the participants will receive participation certificates.
- The certificate of attendance will also be given to the accompanying teachers/ team manager.
- No TA/ DA will be allowed to participants/ accompanying teacher/ team manager.
- The participant must carry his/ her College I- Card or letter signed by principal.
- Last date of registration- 28th January 2022.
