Department of Biochemistry, Shri Shivaji College in Akola recently celebrated World AIDS Day on December 1, 2024, with a series of impactful activities aimed at raising awareness about HIV/AIDS and promoting education, support, and understanding within the college community.

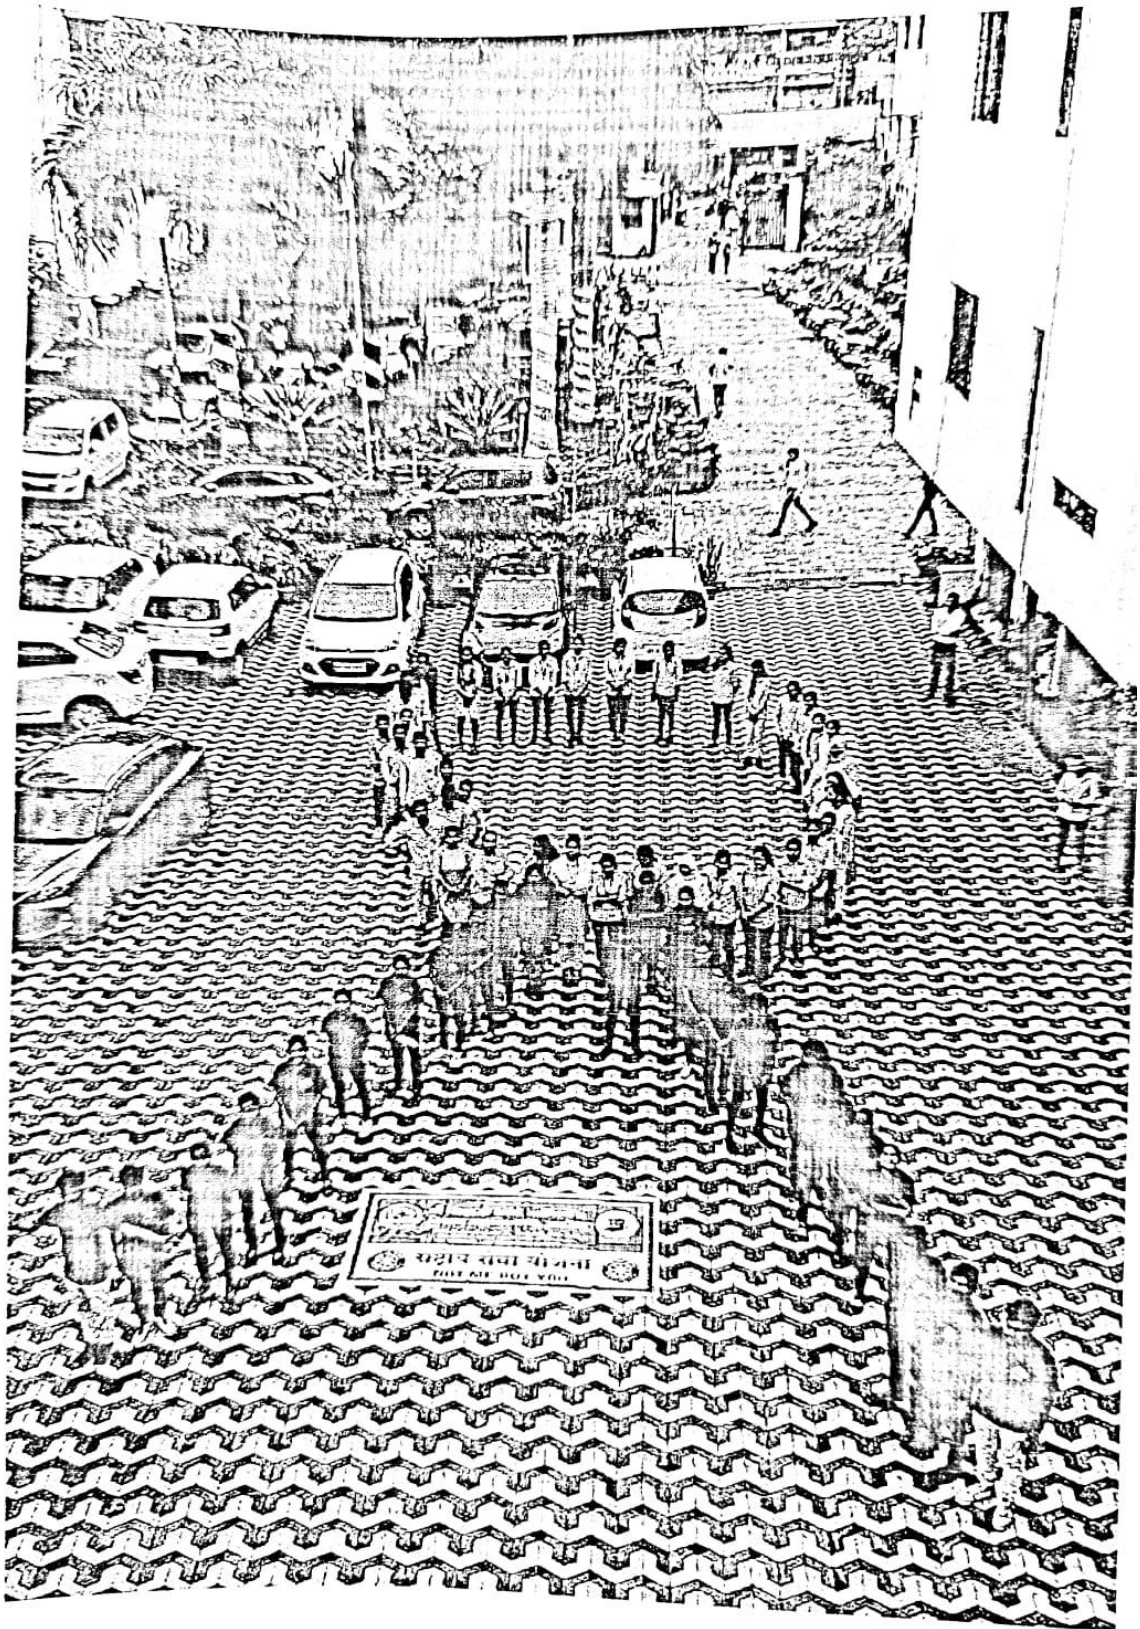

Led by the MSc Biochemistry students and supported by the respected college principal, a unique symbol for AIDS was created. This symbol served as a powerful visual representation of the college's commitment to fighting HIV/AIDS and supporting those affected by the disease.

In addition to symbol creation, a rally for awareness was organized. Participants engaged in distributing informational materials, sharing personal stories, and interacting with others to educate them about HIV/AIDS prevention, treatment, and support. The rally served as a proactive means of reaching out to the college community and beyond, spreading important messages about HIV/AIDS.

The World AIDS Day activities received positive feedback from the college community, with participants expressing appreciation for the opportunity to raise awareness and show support for those affected by HIV/AIDS. The events facilitated meaningful dialogue, encouraged understanding, and promoted solidarity in the fight against HIV/AIDS.

The World AIDS Day celebration at Shri Shivaji College in Akola on December 1, 2024, was a resounding success, showcasing the collective efforts of students, faculty, and staff to address the challenges of HIV/AIDS through education, awareness, and community engagement.

Principal of the college Dr. A.L. Kulat, Dr. Ashwini Balode Head Department of Biochemistry and other faculty members including S.M. Patil, Mr. S.S. Bhutekar, Mr. R.L. Dabhade has actively engaged the students for the conduction of this program.

## Report on Blood Donation Camp

### Shri Shivaji College of Arts, Commerce and Science, Akola Department of Biochemistry Blood Donation Camp

Date: 17 Jan 2024

Department of Biochemistry, Health Centre, NCC and NSS organized a blood donation camp on **17 Jan 2024** at sport department of our college. It was in collaboration with Dr. Panjabrao alias Bhausaheb Deshmukh memorial college Amravati (PDMMC). The event aimed to contribute to the noble cause of maintaining a stable and sufficient blood supply for medical emergencies and treatments. The camp was inaugurated by Prof. Watane, the ex-Head of the Department of Botany at Shri Shivaji College, Akola. His presence added significance to the event and helped in encouraging participation from the community.

A total of **80 donors** actively participated in the blood donation camp. Their voluntary contributions will have a positive impact on meeting the blood requirements for various medical needs. Respected principal, Dr. A. L. Kulat played a pivotal role in motivating and supporting the organization of this event. His encouragement contributed significantly to the success of the blood donation camp. The event was well-organized, ensuring a smooth and efficient blood donation process. The camp successfully engaged with the college students, creating awareness about the importance of regular blood donation.

We express our gratitude to Prof. Watane for gracing the occasion with his presence and to the principal Dr. A.L. Kulat for providing unwavering support. Special thanks to all the donors, volunteers of M.Sc I and M.Sc II, and staff members who contributed to the success of the blood donation camp.

Dear Sir,

On the occasion of 125<sup>th</sup> birth ceremony of Dr. Panjabrao Deshmukh alias Bhausaheb Deshmukh, our department is organizing blood donation camp in Shri Shivaji College Akola. We are keenly interested in collaborating with Dr. Panjabrao Deshmukh Medical College, Amravati to organize this blood donation camp that would benefit our community and contribute to the noble cause of saving lives. Our department recognizes the critical importance of promoting blood donation awareness and ensuring a safe and efficient process for donors. Given the expertise and resources available at your institute, we believe that a collaborative effort would significantly enhance the success and impact of this initiative.

We kindly request the support and collaboration of Dr. Panjabrao Deshmukh Medical College, Amravati in the following areas:

- Providing a qualified medical team to oversee the blood donation process, including pre-donation screening.
- Assisting in the logistics and setup of the blood donation camp.
- Coordinating with our team to ensure a seamless and safe experience for donors.

We believe that this collaboration will strengthen the ties between our institutions and will make a significant impact on the well-being of our community.

## Report on Health Checkup Camp

Shri Shivaji College of Arts, Commerce and Science, Akola

Department of Biochemistry

Health checkup Camp

Date: 27/092023

Location: Bhaurad, Bhildurg  
Tal. Malegaon,  
Dist. Washim

The health checkup camp held in the villages of Bhaurad and Bhildurg, located in the Tal Malegaon of Washim District, was a significant initiative organized by the Department of Biochemistry at Shri Shivaji College of Arts, Commerce, and Science in association of Rotary Club Midtown Akola. This event aimed to address the healthcare needs of residents in these rural and tribal areas and make a positive impact on their well-being. The camp was inaugurated by prominent figures, including Dr. Kibe, Dr. Ashish Raut, the IQAC coordinator of the college, and Dr. S.G. Shende, the head of the Science faculty at the college. Their presence and support added credibility to the event, emphasizing the importance of community health and the role of educational institutions in promoting it.

The camp provided a range of essential medical services, including blood pressure checks, blood group testing, weight measurements, and the provision of basic medications. Two MD doctors were present, lending their expertise to the event and ensuring comprehensive assessments and recommendations for the attendees. In total, 251 people from the villages were checked during the camp, demonstrating a significant outreach effort.

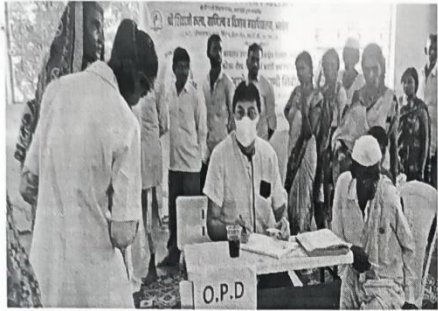

The community's engagement and response were commendable, with attendees receiving immediate medical attention, prescriptions, and necessary medications. The camp detected various health issues, both minor and major, which were addressed promptly, contributing to the improvement of the residents' overall health. This initiative was not without its challenges, but the dedication and collaborative efforts of the organizers, medical professionals, and the community led to its success.

The potential impact of this health checkup camp on the health and well-being of the residents in Bhaurad and Bhildurg is substantial. It represents a crucial step toward providing healthcare services to underserved communities and highlights the college's commitment to community engagement and public health.

The organizers would like to extend their heartfelt thanks to all individuals and organizations that contributed to the success of this event. In the future, the department aims to continue such initiatives, further strengthening community health in these rural and tribal regions. This summary report serves as a testament to the importance of community health outreach and the positive impact that dedicated individuals and educational institutions can have on the well-being of underserved communities.

27/09/2023.

Respected Sir,

With reference to your letter dated 23/09/2023, Rotary club of Akola Midtown wish to inform you that we are ready to work and support as a team for the conduction of health checkup camp at village Bhaurad. Activity like this has always been a social responsibility of the reputed college and various NGOs. This activity indeed will be a great initiative to monitor various important health parameters like blood pressure, blood sugar, hemoglobin and blood group.

Rotary club of Akola midtown would be happy to arrange two doctors, primary important medicines required for the distribution in this camp and bus facility for students to reach at the site. We wish to work on projects like this in future as well.

Thank you.

Yours Sincerely

## Structure of Training

### 3 Years

**I Year:** Introduction and Parade training.

**II Year:** Parade training, Service subjects, various camps, “B” Certificate examination

**III Year:** Parade training, Service subjects, various camps, “C” Certificate examination

### Enrolment

The first year NCC enrolment process was conducted under the guidance of our Hon’ble Principal and Commanding Officer of 11 Mah Battalion NCC supervised by ANO and PI Staff. NCC cadets of our college actively participated in different training activities throughout the year. The selection of cadets for 1<sup>st</sup> Year NCC was held in two in phases:

#### Phase 1 – Physical Test

#### Phase 2 – Written Examination

**Camp training:** Our cadets have participated in different camps like **Annual Training Camp, Trekking camp, Thal Sainik Camp, Pre- Republic day camp, Army attachment camp, Basic Leadership Camp, Ek Bharat Shreshth Bharat** etc throughout the country round the year. During annual training camp, the cadets were given military training in weapons, map reading, drill, battle craft/ field craft, obstacle training and health and hygiene under the leadership of Commanding officer and ANO. The cadets were exposed to regimented way of life that helped them to develop leadership, self-confidence, team work and patriotic values in them.

**Institutional Training:** Institutional training conducted at the college is the mainstay of NCC training. Weekly regular NCC parade and lectures were conducted by ANO’s and PI staff to impart training to the cadets on NCC subjects such as drill, weapon training, map reading, field craft and

battle craft, personality development, leadership, health and hygiene and civil duties. The second year cadets attended the 'B' certificate theory and practical exam and the 'C' Certificate cadets attended the 'C' certificate exam. The cadets have scored **100% result** in both the exams.

The cadets played an important role in the celebration of national days such as Independence Day and Republic day to develop a sense of patriotism and harmony. They undertook special practice for piloting of guests, commanding preparation and drill practice. The cadets actively participated and honored the sovereignty of the country. Besides institutional training, cadets have actively participated in various social service activities like **Blood Donation, Eye Donation awareness rally, campus cleaning, Swachha Bharat Abhiyan, Constitution day, Voter Awareness program, etc**

### **Special achievements:**

- **Senior Under Officer Yash Padmakar Ingle attended Republic Day Parade on 26 January 2024 at New Delhi**
- **Three of our cadets are selected as Agniveers in Indian Army**

**In the academic year 2023-24, the NCC unit has conducted several activities. Some of them are highlighted as below:**

## World Environment Day 2024

In the series of **Meri Life Campaign (World Environment Day)** NCC cadets organized a pledge ceremony followed by Tree Plantation, Poster making and Essay writing spreading awareness on **“Mera Sahar Swachh Shahar”** to protect the environment.

#### Blood Donation Camp

Date: 17 Jan 2024

Department of Biochemistry, Health Centre, NCC and NSS organized a blood donation camp on 17 Jan 2024 at sport department of our college. It was in collaboration with Dr. Panjabrao alias Bhausaheb Deshmukh memorial medical college Amravati (PDMMC). The event aimed to contribute to the noble cause of maintaining a stable and sufficient blood supply for medical emergencies and treatments. The camp was inaugurated by Prof. Watane, the ex-Head of the Department of Botany at Shri Shivaji College, Akola. His presence added significance to the event and helped in encouraging participation from the community.

A total of **80 donors** actively participated in the blood donation camp. Their voluntary contributions will have a positive impact on meeting the blood requirements for various medical needs. Respected principal, Dr. A. L. Kulat played a pivotal role in motivating and supporting the organization of this event. His encouragement contributed significantly to the success of the blood donation camp. The event was well-organized, ensuring a smooth and efficient blood donation process. The camp successfully engaged with the college students, creating awareness about the importance of regular blood donation.

We express our gratitude to Prof. Watane for gracing the occasion with his presence and to the principal Dr. A.L. Kulat for providing unwavering support. Special thanks to all the donors, volunteers of M.Sc I and M.Sc II, and staff members who contributed to the success of the blood donation camp.

Health checkup Camp

Date: 27/09/2023 Location: Bhaurad, Bhillurg  
Tal. Malegaon,  
Dist. Washim

The health checkup camp held in the villages of Bhaurad and Bhillurg, located in the Tal Malegaon of Washim District, was a significant initiative organized by the Department of Biochemistry at Shri Shivaji College of Arts, Commerce, and Science in association of Rotary Club Midtown Akola. This event aimed to address the healthcare needs of residents in these rural and tribal areas and make a positive impact on their well-being. The camp was inaugurated by prominent figures, including Dr. Kibe, Dr. Ashish Raut, the IQAC coordinator of the college, and Dr. S.G. Shende, the head of the Science faculty at the college. Their presence and support added credibility to the event, emphasizing the importance of community health and the role of educational institutions in promoting it.

The camp provided a range of essential medical services, including blood pressure checks, blood group testing, weight measurements, and the provision of basic medications. Two MD doctors were present, lending their expertise to the event and ensuring comprehensive assessments and recommendations for the attendees. In total, 251 people from the villages were checked during the camp, demonstrating a significant outreach effort.

The community's engagement and response were commendable, with attendees receiving immediate medical attention, prescriptions, and necessary medications. The camp detected various health issues, both minor and major, which were addressed promptly, contributing to the improvement of the residents' overall health. This initiative was not without its challenges, but the dedication and collaborative efforts of the organizers, medical professionals, and the community led to its success.

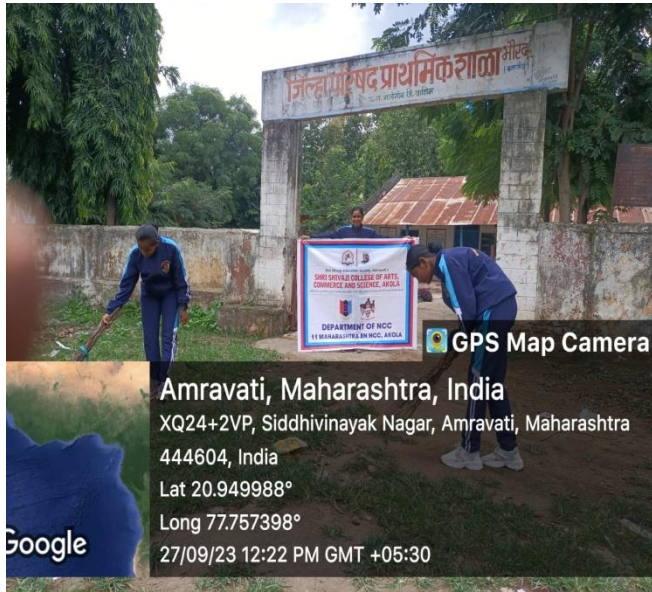

The potential impact of this health checkup camp on the health and well-being of the residents in Bhaurad and Bhillurg is substantial. It represents a crucial step toward providing healthcare services to underserved communities and highlights the college's commitment to community engagement and public health.

The organizers would like to extend their heartfelt thanks to all individuals and organizations that contributed to the success of this event. In the future, the department aims to continue such initiatives, further strengthening community health in these rural and tribal regions. This summary report serves as a testament to the importance of community health outreach and the positive impact that dedicated individuals and educational institutions can have on the well-being of underserved communities.
