A Report 2023-24

The Entrepreneurship Cell

The Entrepreneurship Cell, Shri Shivaji College of Arts Commerce & Science endeavors to inculcate entrepreneurial spirit in the young minds, and aims at providing a platform where potential is tapped and opportunities are grabbed to assist, nourish and develop an aspiring idea into a business talent. The top priority of the Cell is to get these minds “thinking”. It is aimed at fostering entrepreneurial skills among the students by providing students with basic financial and entrepreneurial knowledge to make entrepreneurship a possibility for more and more students. The cell enables the provision of mentor-ship by connecting students with potential business ideas and entrepreneurs to provide them assistance in all aspects. Mentoring, guidance & counselling by faculty members through entrepreneurship cell boosts the students to indulge in activities for self-employment. Various departments of the institution organizes skill development workshops to develop skills in students In the past few years, the Cell has successfully ideated and executed workshops and projects to create sustainable social impact along with promoting entrepreneurial thinking.
